Proceedings of the Madras Government, Revenue Department, 17th April 1869.

No. 395. Read the following letter from R. E. MASTER, Esq., Director of Revenue Settlement, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 14th April 1869, No. 475-15:—

THE papers connected with the Revision of the Assessment in the several districts, the settlement of which has been completed, having been printed at different times in different places, and in varying forms and quantities, I find it difficult to meet the requisitions which from time to time are received for complete sets. Very few copies of some of the papers were, in the first instance, struck off; and in the case of one district there is literally not a duplicate set in this Office. Should the Government approve, these papers might with advantage be re-printed as Selections from the Records; and in that case I shall be happy to superintend the passing of them through the Press, and arrange for the final revision of proofs, etc. If the Government Press is too much occupied at present to undertake the work, I request permission to distribute it among the private Presses.

No. 396. ORDER THEREON, 17th April 1869, No. 1,060.

Miscellaneous.

ORDERED accordingly that the papers in question be printed as Selections from the Records of Government, and that Mr. Master's offer to superintend the passing [illegible] through the [illegible]
