Proceedings of the Madras Government, Revenue Department, 20th April 1869.

No. 421. Read the following letter from W. G. McIVOR, Esq., Superintendent of the Government Chinchona Plantations, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 27th January 1869, No. 243 :—

I HAVE the honor to submit, herewith, for the favorable consideration of Government, an application for horse allowance from Mr. Dawson, the Assistant Superintendent in charge of the Neddiwuttum Plantations.

2. I trust the Government may be pleased to sanction to Mr. Dawson horse allowance at the rate of 30 Rupees per mensem, in consideration of his having to visit the "Hooker" and "Wood" Pykara Estates.

From C. R. DAWSON, Esq., Assistant Superintendent in charge of Neddiwuttum and Pykara, to the Superintendent of the Government Chinchona Plantations, dated Neddiwuttum, 11th January 1869, No. 24.

As I am obliged to keep a horse to enable me to visit the Plantations at Pykara under my charge, I have the honor to request most respectfully that you may be pleased to recommend me horse allowance from the 1st of this month. I have, as you are aware, had charge of the Pykara Plantations for the last three years, during which time I have been obliged to keep a horse to ride the twelve miles on each occasion during the dry weather, and twenty miles during the south-west monsoons; and as my family expenses are increasing every year, I find it a difficult matter to meet this expense out of my salary.

2. The extent of the Neddiwuttum Plantations alone obliges me to keep a horse. I therefore trust you may be pleased to consider the reasonableness of my application, and to forward it on for the approval and sanction of Government.

No. 422. ORDER THEREON, 20th April 1869, No. 1,072.

Miscellaneous.

THE Superintendent of the Government Chinchona Plantations recommends the grant of horse allowance, at Rupees 30 per mensem, to Mr. Dawson, the Assistant Superintendent in charge of the Neddiwuttum Plantations, in consideration of his having to visit the "Hooker" and "Wood" Pykara Estates.

2. The Government observe that in proposing to place the Neddiwuttum and Pykara Plantations under one Assistant Superintendent, Mr. McIvor applied for an increase of Rupees 25 to the salary of that Assistant, on account of the additional work which the measure involved. He added also that one Superintendent would be able to perform the whole work, as a road connected the two plantations; and sanction was accordingly granted for fixing the Assistant's salary at Rupees 150, in lieu of Rupees 125 per mensem.

From Superintendent, Chinchona Plantations, dated 16th November 1865, No. 97.

Order, dated 13th December 1866, No. 3,355.

3. Mr. Dawson has accordingly had charge of the two Plantations for three years on the higher salary, and he kept a horse during that time to enable him to
