Proceedings of the Madras Government, Revenue Department, 21st April 1869.

No. 448. Read the following letter from Major R. H. BEDDOME, Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp at Ootacamund, 2nd April 1869, No. 1,279 :—

As the Bombay Marine and the Madras Gun Carriage Manufactory have indented on the Anamallay Forest for a considerable supply of timber of large dimensions, Captain Gosling, the Deputy Conservator in charge, has applied for sanction to construct four sling carts, at a cost of Rupees 150 each, and also for the loan of thirty pairs of powerful Commissariat bullocks, or permission to purchase the same at a cost not exceeding 4,500 Rupees. If thirty pairs of these animals can be lent from the Commissariat, it would be a saving to Government, and they would, of course, be fed and kept at our expense; but if not, I have the honor to request the sanction of Government for Captain Gosling to purchase the animals, at a cost not exceeding 4,500 Rupees, and also for the construction of the four sling carts, at a cost of 600 Rupees; all which charges can be met from the working charges of the Range for this year.

No. 449. ORDER THEREON, 21st April 1869, No. 1,085.

Forests, No. 10.

THE Government sanction the construction of four sling carts at a cost not exceeding Rupees 600. Captain Gosling's proposal to obtain the use of thirty pairs of powerful bullocks from the Commissariat will be referred to the Military Department for orders.

2. The Government, however, deem it necessary to call the attention of Major Beddome to paragraph 14 of the Proceedings of the Government of India, dated 22nd February 1869, No. 94 F, communicated with the Order of this Government, dated 23rd March 1869, No. 802, regarding the expediency of limiting operations on the Anamallays with reference to the large stock of timber on hand. The Government presume that the greater portion of the indents, received from the Bombay Marine and the Madras Gun Carriage Manufactory, can be complied with from the present stock.

3. Major Beddome will be requested to report whether the carts and bullocks, purchased at an outlay of Rupees 4,000, under the sanction of Government, dated 10th December 1866, No. 3,321, continue to be serviceable.
