*Proceedings of the Madras Government, Revenue Department,
16th July 1870.*

No. 169. Read the following letter from the Acting Secretary to the Board of Revenue, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 7th June 1870 :—

With reference to G. O., 4th April 1870, No. 443, I am directed, now that Madras Act I. of 1870 has become law, to request that orders may be passed with regard to levying tolls at the Palamcottah and Tinnevely ferry.

2. It is desirable that the Act should, under Section 2, be made applicable to all ferries in the Godavery District at once, as the present ferry-lease expires at the end of the current Fusly.

No. 170. ORDER THEREON, 16th July 1870, No. 1,094.

Miscellaneous.

The Government do not deem it expedient that the provisions of Act I. of 1870, should be extended to the

Palamcottah and Tinnevely ferry. The bridge will soon be re-built, and meanwhile, as the traffic between the two towns is considerable, it is advisable to encourage rather than restrict private individuals in keeping up boats. At present there are only four boats at the disposal of Government.

2. The Government authorize the Collector to charge the rates submitted by him with his letter, dated 7th January 1870, No. 4, for passage in the Government boats; but this arrangement is not to interfere with the right of any individual to make use of his own boat, and to allow others to use it with or without payment.

3. In regard to the Godavery District the Board are requested to submit a draft Notification for publication in the *Fort Saint George Gazette*, giving the names of the ferries, rates of toll, and all particulars required by the Act.
