*Proceedings of the Madras Government, Revenue Department,
17th March 1877.*

Famine Relief.

No. 571. Read the following letter from Major A. G. MURRAY, Special Relief Officer, Chingleput District, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated St. Thomas' Mount, 13th March 1877, No. 64:—

I HAVE the honor to acknowledge Proceedings of Government, No. 1,033, dated 12th instant.

2. I have carried out the orders of Government in regard to the payment of all laborers at such rate as shall be sufficient to purchase a man (and the others in proportion) 1 lb. of rice in addition to his 6 Pice.

3. I venture to take up your time so far as to make an explanation on this point and ask for orders.

4. In Palaveram village this morning 10 Pice will purchase nearly (not quite) 1 lb. of common rice, but this is, of course, in its uncleaned state when it is not fit to be cooked and eaten. Should it be cooked and eaten in such state, you are aware that sickness would be the inevitable result.

5. When fairly cleaned, so as to be fit to cook, the amount of rice bought for the 10 Pice is considerably less than 1 lb.

6. I understand the intention of Government to be that the man shall have 1 lb. of rice to put into his stomach. I have therefore directed, pending further orders either from Government or the Collector, that the laborer shall be paid such a wage as will buy at the bazaar nearest his work an amount of grain (something over 1 lb.) which, when decently cleaned, will give him 1 lb. of food to cook and eat.

No. 572.

ORDER THEREON, 17th March 1877, No. 1,126.

Miscellaneous.

MAJOR Murray has correctly interpreted the intentions of Government.
