Memorandum
on 12/7/92

1. The Govt ordered the Rungabow at Rajanagarum to be abandoned as less than three travellers a month are in the habit of halting there and declined to sanction an outlay of Rs 800 for its repair.
2. On further consideration the Board expressed their opinion that it is undesirable that there should be no rest house at Rajanagarum, for although few travellers seem to take advantage of it, its abandonment would cause them to travel

They add that "the
site, moreover, which
is on the great northern
road, and on the road
from Rajphumun to Sa-
mulcoth, is manifest-
ly one where there ought
to be a public bungalow."
It is further stated
that such repairs as
are absolutely necessary
may possibly be execu-
ted more economically
than has hitherto been

the Collector to report
on the subject, & the
Govt. remarked that
they would await the

I do not think the
Govt. should keep
up a bungalow
or little permanent

Govt

M.A.

Think it a pity to give
up this bungalow on the
great north road. The
grass is not many
only 35. per annum but
the convenience & the
magnificence of the
bungalow is far from
there. The distance is
not mentioned in these papers.
But the local authorities
are so firmly kept up.
We cannot judge

S. H. P. S. S. S.

The necessity of keeping
up a Bungalow nearly
by the number of
travellers. It seems to
be sufficient that
the Bungalow offers
accommodation to a few
where no other accommodation
is possible. I would take
the advice of the Collector
and spend Rs. 800 in
the repair. The
necessary repairs for
500. See to me
only the question.

Council

Keep out of funds
we cannot do this
