Proceedings of the Madras Government, Revenue Department,
22nd January 1870.

Read the following letters:—

No. 233. From J. BROUGHTON, Esq., Government Quinologist, Ootacamund, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 4th December 1869.

REFERRING to G. O., No. 3,028, of November 23, 1869, I have the honour to make the following proposition for the continued employment of John Miller, "Paid Pupil," for the year 1870-71 and subsequently.

2. I propose that he be paid Rupees 40 for the first four months of the year. In August that he receive an increase of Rupees 5, and a similar increase each half-year of Rupees 5 until a maximum rate of pay, amounting to Rupees 100, be attained. The half-yearly rise of pay to be entirely dependent on good conduct and progressing competency in the performance of his work.

3. The above terms are an extension of those sanctioned at his first engagement, (G. O., No. 1,427, June 27, 1867,) and are framed with a view to his eventual employment in connection with the manufacture of Cinchona or other medicinal products. I trust these terms will meet the approval of Government.

4. The above particulars do not seem capable of statement on the tabular form received.

No. 234. From J. BROUGHTON, Esq., Government Quinologist, Ootacamund, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 25th December 1869.

I AM in receipt of official memorandum, No. 205, dated December 21, 1869, which inquires by what authority I propose to retain the services of the "Paid Pupil" during the last four months of the year 1869-70.

2. In reply I have the honour to state that I did not apprehend that this item had been definitively refused the sanction of Government in G. O. of November 7, 1868, No. 2,809. I had, however, at that date and subsequently no grounds on which I could make a direct inquiry on this point, as the last four months of the current year did not fall within the limits of my period of stipulated service.

3. I trust, however, that Government will be pleased to authorize me to continue his employment during these last four months of 1869-70 at a monthly pay of Rupees 40. Savings will be made out of the Budget grant to cover this amount.

No. 235. ORDER THEREON, 22nd January 1870, No. 115.

Miscellaneous.

SANCTION is accordingly granted for the continued employment of the Paid Pupil, under the Government Quinologist, from December 1869 on the monthly salary of Rupees 40, with a half-yearly increase of Rupees 5 per mensem, commencing from August 1870. This increase to the Pupil's pay will, as remarked by Mr. Broughton, be entirely dependent on good conduct and progressing competency in the performance of his work, and will cease when the maximum salary of Rupees 100 per mensem is reached.

Proceedings of the Madras Government, Revenue Department,
22nd January 1870.

2. The sanction now granted will be reported to the Government of India in the monthly statement for their confirmation.

Sir

I am in receipt of Official Memorandum No. 20 dated Dec^r 27^th 1869 in which enquires by what authority I propose to retain the services of the paid pupil during the last four months of the year 1869-70.

In reply I have the honor to state that I did not apprehend that this item had been definitely opposed the sanctions of Govt in G.O. of Nov^r 1^st 1868 No. 2809. I had known at that date and subsequently no grounds, on which I could make a direct enquiry on this point, as the last four months of the current year did not fall within the limits of my period of stipulated service.

I trust however that Government will be pleased to authorize me to continue his employment during these last four months of 1869-70 at a monthly pay of Rs 40. Savings will be made out of the Budget grant to cover this amount.
