*Proceedings of the Madras Government, Revenue Department,
8th August 1870.*

No. 85. Read the following letter from the Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated camp at Ootacamund, 2nd July 1870, No. 2,204:—

By the accompanying letter, No. 15 of the 24th June 1870, from the Collector of Salem, it will be seen that Mr. Knox, the Assistant Collector lately in temporary charge of the Salem forests, submits extra tentage bills for the period he has been in charge, amounting to Rupees 128-4-0; I have the honour to request sanction for paying the same out of the working charges of the range, as Mr. Knox drew no travelling allowance whilst in charge.

2. The consolidation of travelling allowances in the salaries of the Deputy-Conservators is not, I think, a good plan; it naturally leads officers to think they have no proper travelling allowance, and again the total amount of salary is drawn when on short leave, so that no travelling allowance is available for any one deputed to act.

ENCLOSURE No. 1.

From the Collector of Salem, to the Conservator of Forests, dated Salem, 24th June 1870, No. 15.

THE accompanying extra tentage bills are for the travelling of my Assistant, Mr. H. Knox, whilst he was in charge of the Forest Department of this district. Mr. Knox has been round the different forests, and has, as you are aware, carried on all the duties which legitimately belonged to the Deputy-Conservator. I placed Mr. Knox in charge in accordance with the wish expressed by you, as Government had not any one whom it could conveniently send to take up the appointment. As the whole of the work for which Mr. Knox now sends the enclosed bills was connected with your department, and as it appears that there is no extra tentage allowed to your subordinates as their pay is consolidated, I request you will make such arrangements as you can, so that the expenses of travelling incurred by Mr. Knox may be paid. I presume that the amount could be paid out of the savings Government has made by not having appointed a successor to Mr. G. Cadell.

No. 86. ORDER THEREON, 8th August 1870, No. 1,177.

Forests, No. 2.

THE Right Honourable the Governor in Council observes that Mr. Knox should draw his extra tentage and travelling allowance in the Revenue Department in the usual way. He is not entitled to any additional allowance while in temporary charge of the forests.

2. The point raised by the Conservator in paragraph 2 of his letter will be considered when the arrangements for the re-organization of the department are finally determined.
