*Proceedings of the Madras Government, Revenue Department,
8th August 1870.*

No. 117. Read the following Proceedings of the Board of Revenue, dated 22nd June 1870, No. 4,312:—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 14th May 1870; No. 170.

I HAVE the honour to inform you that the Order of Government, dated March 20th, 1869, No. 776, sanctioning the assignment of land, bearing an assessment of 60 Rupees, for each of the Choultries at Manjeri and Nellamboor, has not been acted on.

2. In the meantime, three other Choultries have been completed and opened, so that the whole number to be provided for is five as shown in the margin.

Manjeri	Sultan's Battery.
Nellamboor.	Toriot.
Nadghany.	

3. I annex a list of escheat lands in the Ernad Talook, of which the patom payable to Government, in the event of the Government proprietary right being rented instead of sold, amounts to 300 Rupees, and I request sanction for these lands being assigned as an endowment for the Choultries in question.

4. The assessment of the land will as heretofore be credited to Imperial Land-revenue, the landlord's share only being credited to the Endowment Fund, subordinate to Local Funds.

5. It is impossible to leave buildings of this description without some one in charge in this climate, and hitherto these have been in charge of Mussalchies paid from Local Funds, the charge being debited to "Advances."

6. As this is irregular I request early orders.

SUBMITTED for the sanction of Government.

2. In G. O., 20th March 1869, No. 776, Government promised to endow certain Chuttrums in Malabar with assignments of land, assessed at Rupees 60.

3. The Collector now sends up a list of escheat lands liable to pay a patom of Rupees 300 to Government, and requests that, instead of being sold as usual, they may be assigned to the five Chuttrums which have already been completed.

No. 118.

ORDER THEREON, 8th August 1870, No. 1,193.

Miscellaneous.

By G. O., dated 20th March 1869, No. 776, the Government sanctioned the assignment, as an endowment for two Chuttrums in Malabar, of certain escheated lands, the assessment and rental of which would afford an allowance of Rupees 60 per annum to each of the Chuttrums.

2. The Collector now reports that effect has not yet been given to the above-mentioned Order, and that since its issue three more Chuttrums having been completed and opened are in want of endowments. He submits a list of seventeen escheat lands, the landlord's share in which is of the aggregate annual value of Rupees 300-14-6; and he proposes to assign this sum, and not the assessment proper, to the Chuttrums in question. Under this arrangement, the escheat lands will continue rented out by Government instead of being sold. The landlord's share or jenn will be credited to the Malabar Endowment Fund and the assessment to the State.

3. The Government resolve to accede to the Collector's recommendation, but the Board will consider whether the better course would not be, as originally proposed, to transfer absolutely to the fund such an extent of escheated land as, landlord's share and assessment being combined, would be equal to the endowment.
