GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

21st February 1877, No. 647.

Stamps.

Read the following paper :—

No. 353. *From D. BARBOUR, Esq., Under Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, dated Fort William, 30th January 1877, No. 520.*

I am directed to acknowledge the receipt of your letter, No. 1813, dated 9th October 1876, regarding the stamp on Mr. Stoney's petition for leave to file a specification of an invention.

2. It appears that the stamp on Mr. Stoney's petition was not "denoted," and that the Superintendent of Stamps merely impressed on the paper a stamp bearing the value of Rupees 100. I am however to refer you to Notification by the Government of India in this Department, No. 3908, dated 19th June 1874, and to point out that excepting any blue and black bi-color stamps that may still remain in store the only impressed stamps that should be used are those manufactured in England.

3. I am therefore to request that, with the permission of His Excellency the Governor in Council, the Superintendent of Stamps may be directed to abstain from the practice of impressing stamps on sheets of paper.

No. 354. ORDER THEREON, 21st February 1877, No. 647.

Communicated to the Superintendent of Stamps for his information and guidance.
