G.O. No. 1246	Press <u>Mis.</u>
<u>115-120</u>	
Dated 5 th May 1869	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
5th May 1869.*

No. 119. Read the following Proceedings of the Board of Revenue, dated 6th April 1869, No. 2,325 :—

Read the following letter from the Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 22nd February 1869, No. 43.

I HAVE the honor, with reference to the Order of Government, dated 15th April last, No. 972, Revenue Department, to submit herewith, for the sanction of the Board, an estimate, amounting to Rupees 1,180, for providing a Main Sewer which is the principal want in existing arrangements at the Choultry adjoining the Tripatty Railway Station.

2. As the estimate, which has been prepared by the Range Officer, appears to me heavy, I propose to invite tenders for the execution of the work by private contract. Meanwhile, I beg the Board's reconsideration of the proposition to debit this charge against Local Funds, as these are already engaged more deeply than the income will at all cover. I feel assured that if the suggestion were but made, the Government would readily follow the liberal precedent established in the

Govt. Order, dated 6th September 1867, No. 2,086 in Board's Proceedings, dated 11th idem, No. 5,844.

analogous case of the Arconum Settlement and make over for the purposes of the new Petta at Ranigunta (the Tripatty Railway Station) the proceeds of the

building lots which will shortly be sold under the Freehold Rules. In the Order of Government noted in the margin, the rate has been fixed at Rupees 2 per acre, and the area of the ground which has

Dated 31st May 1867, No. 1,230, in Board's Proceedings, dated 14th June 1867, No. 3,668.

been laid out for the new Petta measures (exclusive of the free grants allowed in Government Order, dated 31st May 1867, No. 1,230, Revenue Department,) acres 10 $\frac{1}{2}$. As the lots will most probably fetch more than the proportionate upset price, the moiety of the funds required to carry out the work, provided for in this estimate, would thus be secured. If the amount thus realised were regarded as the Government grant-in-aid, the balance might be allotted as a charge against Local Funds.

3. I propose to take the opportunity of Mr. Gibson being in that neighbourhood during the approaching settlement, to dispose of as many of these building sites as purchasers may offer for it.

4. The Choultry should unquestionably have an endowment; but I am not in a position just now to forward the usual application, as the proprietor of the Chuttrum is reported to be absent at Rameswaram, and his son who resides at Madras is unable to attend, in consequence of ill-health.

5. Meanwhile, both father and son have been again urged to take early advantage of the opportunity thus afforded to them of having their Choultry permanently provided for.

ENCLOSURE No. 1.—Estimate.

THE estimate for constructing a Main Sewer for the Chuttrum near the Tripatty Railway Station at a cost of Rupees 1,180 is sanctioned.

2. The Board resolve to request Government to allot Rupees 590 towards this work out of the proceeds of the sale of building sites in the neighbourhood which

*Proceedings of the Madras Government, Revenue Department,
5th May 1869.*

are to be put up to auction under the Freehold Rules, in accordance with Government Order, 31st May 1867, No. 1,230. The remainder of the cost will be met from the District Road Fund Reserve.

No. 120.

ORDER THEREON, 5th May 1869, No. 1,246.

Local Funds, No. 5.

Civil Works.

THE estimate for the construction of a Main Sewer for the Chuttrum near the Tripatty Railway Station, amounting to Rupees 1,180, is sanctioned. The Board's proposal to pay a moiety of this sum from the proceeds of the sale of building sites in the neighbourhood, and charge the remainder to the District Road Fund Reserve, is approved.

(True Extract.)

(Signed) R. A. DALYELL,

Acting Secretary to Government.
