*Proceedings of the Madras Government, Revenue Department,  
16th August 1870.*

No. 265. Read the following Proceedings of the Board of Revenue, dated 19th July 1870, No. 4,942:—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 28th June 1870, No. 237.

In his letter, dated 4th February 1870, No. 53A, Mr. Webster reported the arrangements he made on the retirement of the Salt Superintendent of Beypore. Vennimala Pillay, who was appointed in the above arrangement to act as Superintendent at Beypore, has, under the rules, to pass the Salt Test

IV. He has applied to me for exemption from the Examination Rules, and I think his case is deserving of favourable consideration. He has been in the service for twenty-three years, and has been Salt Superintendent these last seven years. He was on receipt of 50 Rupees before the reduction of establishment as Salt Superintendent of Ponany, and was, subsequent to the reduction, Salt Superintendent on Rupees 40 at Tellicherry and Ponany.

2. I have the honour to request that the sanction of Government may be obtained for exempting him from the operation of the Examination Rules during his employment in the Salt Department.

THE Board resolve to submit this application for the exemption of Vennimala Pillay from the Salt Test for the favourable consideration of Government.

2. Vennimala Pillay has been in the service twenty-three years, and has been a Salt Superintendent for seven years.

No. 266. ORDER THEREON, 16th August 1870, No. 1,265.

Miscellaneous.

UNDER the circumstances represented the Governor in Council is pleased to exempt Vennimala Pillay from the operation of the Examination Rules during his employment in the Salt Department.

(True Extract.)

(Signed) H. E. STOKES,  
*Under-Secretary to Government.*

To the Board of Revenue.  
,, the Accountant-General.  
,, the Commissioner for the Uncovenanted Civil Service Examinations.

Erd. F. R. Bantleman.

The diagrams show four stages of a cell cycle, likely mitosis, arranged vertically and labeled a, b, c, and d. Each diagram is a circular cross-section of a cell. Diagram a shows a cell with a single nucleus containing a single chromosome. Diagram b shows a cell with a single nucleus containing two sister chromatids. Diagram c shows a cell with two nuclei, each containing a single chromosome. Diagram d shows a cell with two nuclei, each containing two sister chromatids.

Bill McQuinn of Chicago, leader of the "red-baiting" campaign, has been elected chairman of the subcommittee.
