*Proceedings of the Madras Government, Revenue Department,
16th August 1870.*

No. 277. Read the following Proceedings of the Board of Revenue, dated 29th June 1870, No. 4,493 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 4th June 1870, No. 207.

I HAVE the honour to forward a letter* from the Sub-Collector, regarding the unfinished state of the Tellicherry Talook Cutcherry.

* Dated 25th May 1870, No. 442.

2. A sum of Rupees 23,000 had been spent on the building up to the end of April, and Rupees 1,900 remains from the provision in this year's Budget, leaving 5,100 Rupees only required to finish the building.

3. On the completion of the building and removal of the Tahsildar's office from Kadarur, it will be possible, as *Vide Board's Proceedings, dated 28th December 1867, No. 8,260.* has already been suggested by the late Collector in his letter of the 13th

November 1867, to effect a reduction of one Sub-Magistrate's office in the talook, with a saving of about 1,000 Rupees a-year.

4. It is extremely desirable that the change of quarters should be effected at an early date on account of the public inconvenience now caused, and the saving of money above indicated shows how remunerative the work will be; I would therefore strongly urge that provision should be made for the completion of the building during the present year.

5. I do not support Mr. Logan's proposal of placing the Tahsildar temporarily in the building now occupied by the Sub-Magistrate's office.

6. The situation in the leading street of a busy town is objectionable.

ENCLOSURE No. 1.

From W. LOGAN, Esq., Sub-Collector, to the Collector of Malabar, dated 25th May 1870, No. 442.

I LEARN from the Assistant Engineer, Cannanore, that the new Talook Cutcherry at Tellicherry cannot be made habitable during this official year, because no further allotment has been made.

2. I have the honour to bring to your notice the desirability of completing the building at the earliest possible date. The inconvenience of having to send out frequently to the present Talook Cutcherry is increasingly complained of; the distance there and back is over eight miles; and it is not only the officials in Tellicherry who complain of this, but merchants and other private individuals who have to go to the Cutcherry for purchasing stamps and other business. The prospect of the present state of things lasting for another year is very depressing.

3. If money cannot possibly be obtained, say even by a loan from Local Funds as the Board have proposed in the case of the Coorg and Cannanore road, I would ask your permission for moving the Tahsildar into Tellicherry. There would be accommodation for him and his treasury in the present Sub-Magistrate's office. Fortunately, the Subsidiary Jail portion of the new Cutcherry is quite finished, and the prisoners could occupy it. I could find temporary accommodation for the Town Sub-Magistrate in my own office. One of the cells in the present Sub-Magistrate's Cutcherry could be used as a treasury and the other as a record-room.

SUBMITTED for the consideration of Government.

2. The Board fully concur in the views expressed by the Collector.

*Proceedings of the Madras Government, Revenue Department,
16th August 1870.*

3. It is most desirable, in a financial as well as an administrative point of view, that the Tellicherry Talook Cutcherry should be finished as soon as possible.

No. 278.

ORDER THEREON, 16th August 1870, No. 1,271.

Miscellaneous.

As the Public Works Department is unable at present to provide funds for the completion of the Talook Cutcherry at Tellicherry, and as it is desirable that the removal of the Tahsildar's office from Kadarur should be effected as early as possible, His Excellency the Governor in Council approves of the arrangement proposed by the Sub-Collector of Malabar, viz., to accommodate the Tahsildar and his Treasury temporarily in the Sub-Magistrate's office, and directs that it be adopted. The Collector's objection to this proposal is, in the opinion of Government, outweighed by the public inconvenience of having the Tahsildar's office four miles distant from the town.

Memo: for Orders on No 2020

Orders are requested on the above. No funds can at present be provided by the P.W. Dept., and it is submitted that the proposal made in para 3 of the Sub-Collector's letter to find temporary accommodation for the Tahsildar and his treasury in the Sub-Magistrate's office at Tellicherry may be adopted. Mr. McGregor's objection to this arrangement, in which apparently the Board concurs, is based upon the inconvenience of the situation "in the leading street of

Order 15 Aug 1890 No 1271

As the Public Works Dept. is unable
at present to provide funds for the completion of
the Teluk Jucherry at Tellicherry,
and as it is desirable that the
removal of the Tahildar's office from
Kadavur should be effected as
early as possible, His Excellency
the Governor in Council is approved
of the arrangement proposed by the
Sub Collector of Malabar, viz. to accom-
modate the Tahildar and his Treasury
temporarily in the Sub Magistrate's Office
and directs that it be adopted.

The Board of Revenue, however, in
their opinion in this proposal, and the
Collector's objection to it is, in the
