*Proceedings of the Madras Government, Revenue Department,
10th May 1869.*

No. 207. Read the following letter from the Officiating Conservator of Forests, to the Acting Under-Secretary to Government, Revenue Department, Fort Saint George, dated Camp at Ootacamund, 24th April 1869, No. 1,334 :—

In reply to your official memorandum, No. 42, of the 20th instant, I have the honor to inform you that more important duties have compelled me to postpone making a tour in the Golcondah hill forests which are rather inaccessible and very feverish for a great part of the year.

2. There is no demand for timber in the district, and nothing to authorise an establishment or working operations, and the forests have lately been handed over entirely to the Collector ; under these circumstances their immediate exploration does not seem called for. At some future date it is more than probable these forests will become of considerable value, and if Government desire a further report upon them, I will make arrangements to proceed to the district after the rainy season.

No. 208. ORDER THEREON, 10th May 1869, No. 1,288.

Forests, No. 12.

ORDERED to be recorded.
