*Proceedings of the Madras Government, Revenue Department,
3rd April 1877.*

No. 18. Read the following Proceedings of the Board of Revenue, dated 17th March 1877, No. 1,297:—

Read the following letter from W. S. FOSTER, Esq., Collector of the Godavery District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Waddigudem, 26th February 1877, No. 61:—

I HAVE the honor to forward, herewith, a statement showing the dry remissions required in thirty-one villages of the Yonagudem taluq this year, and to request the Board's sanction for granting remissions to the extent therein mentioned, viz., Rupees 1,606. The Tahsildar has reported that in the villages mentioned in the above statement the dry crops in the tract for which remission is recommended have entirely failed owing to the failure of monsoon. This application was not submitted before the 31st January as required by the Board's orders, as Mr. Hope in his letter of the 22nd December 1876, No. 377, applied for a general sanction for the granting of dry remissions this year. But the Board having, in their Proceedings of the 2nd January 1877, No. 4, called for villagewar statement showing detailed information, the same had to be obtained from the taluq and hence the delay.

2. The Tahsildar states that in the other parts of his taluq the crops have failed; only a fourth or an eighth of an average crop being reaped. I have not had time to see this taluq yet. I expect to settle it myself in April.

ENCLOSURE No. 1.—Statement.

THE statement conveys no useful information as to the yield of the crops or necessity to grant remission at all, and the amounts of remission are so small in many cases as not to be worth considering. Apparently individual cases have been inquired into, which is wrong. In only three out of the thirty-one villages is the amount proposed to be remitted over 20 per cent., and in eight only, above 10 per cent. of the punjah beriz. The Board authorize the Collector to grant remissions up to the limits stated in these eight cases, and subject to the restrictions in Board's Proceedings, dated 1st March 1877, No. 941.
