*Proceedings of the Madras Government, Revenue Department,
11th May 1869.*

No. 254. Read the following letter from the Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort Saint George, 12th April 1869, No. 382.

I HAVE the honor, when submitting for the orders of Government the accompanying Proceedings* of the Board of Revenue, No. 1,947, dated the 22nd ultimo, to state that the Board's proposal will, if sanctioned by the Madras Government, have to be confirmed by the Government of India.

*With two original enclosures.

Proceedings of the Board of Revenue, dated 22nd March 1869, No. 1,947.
Read again memorandum from Examiner of Claims, dated 26th August 1868, No. 113.

Read also memorandum, dated 10th September 1868, No. 972, relating to batta and travelling allowance to the Accountant and Clerk who accompanied the First Member on his tour.

In the first of these memoranda, which relates to the Clerks who accompanied the First Member of the Board on a tour of inspection, the Examiner of Claims states that, instead of one-and-a-half Annas per mile for distances travelled by rail, second-class fare is all that can be passed to one of them, and third-class fare to the other.

2. In the second memorandum, the Examiner of Claims, whose attention had been drawn to the fact the disallowed sums had been passed to the Clerks who accompanied the Acting Third Member on a similar tour, replied that the excess drawn by them would be retrenched.

3. The ruling of the Examiner of Claims seems to be founded on the Resolution of the Government of India, recorded with Government Order, 28th June 1862, No. 477. In Government Order, 20th November 1862, No. 2,449, the Government referred a letter from the Director of Revenue Settlement on the subject to the Government of India, and in Government Order, 21st February 1863, No. 372, they communicated the fact that an exception would be made in favor of all the officials referred to in the papers recorded with Government Order, 10th March 1862, No. 196, namely, Clerks in the offices of the Directors of Revenue Settlement and Survey, the Inam Commissioner, the Director of Public Instruction, and the Inspector-General of Police.

4. The Board have now to request that Government will declare the same exception applicable to Clerks on their establishments when accompanying Members on their tours, and that the Order may have retrospective effect with reference to the cases above alluded to.

No. 255. ORDER THEREON, 11th May 1869, No. 1,308.

Miscellaneous.

THE Government are of opinion that public servants travelling with a Member of the Board of Revenue should be treated, as regards travelling allowances, in the same manner as those who

accompany the Director of Revenue Settlement in his tours, and the Accountant-General is instructed to pass these allowances accordingly.

2. This Order will have retrospective effect in the case of the Clerks who accompanied the First Member of the Board of Revenue on a late occasion, and the retrenchment now brought to notice will accordingly be withdrawn.
