No. 134. Read the following letter from J. E. COOKE, Esq., Deputy-Accountant-General in charge, to the Secretary to Government, Revenue Department, dated Fort St. George, 26th September 1874, No. 331 :—

With reference to G. O., No. 1,119, of the 1st instant, I have the honor to furnish the following report on the subject of the authority under which payments are to be made out of Customs deposits.

2. The directions contained in Circular, No. 40, of the 2nd March last are based on instructions issued by the Comptroller-General to the Accountants-General of the North-Western Provinces, Punjab, and Central Provinces, with regard to the system of accounting for the receipts and expenditure of the Inland Customs Department of the Bengal Presidency. These instructions have been sanctioned by the Government of India, and a copy will be found in the correspondence* forwarded herewith.

* From Comptroller-General, No. 1,103, of 24th December 1873, communicating letter of Financial Department, No. 3,187, dated Fort William, 27th November 1873, copy whereof was sent to the Board of Revenue on 21st January 1874.
From Deputy-Comptroller-General, No. 1,280, dated 13th February 1874, with enclosure.

3. It will be seen that, under paragraph 5 of the instructions, Collectors of Customs in Bengal are not authorised to make payments out of Customs deposits without the countersignature of the Commissioner, and as the only central authority in this Presidency exercising powers of the nature of those vested in the Commissioner of Inland Customs in Bengal is the Board of Revenue, this Office, in giving effect to the restriction here, substituted the latter for the former in the directions issued on the subject. The circumstance that these directions could possibly clash with a standing order of the Board of Revenue was not known in the Office, nor, indeed, is the Circular intended to apply to operations arising out of the Sea Customs Act VI. of 1863 being expressly limited to arrangements connected with the Land Customs Department.

Enclosure No. 1.

From D. BARBOUR, Esq., Under-Secretary to the Government of India, Financial Department, to the Comptroller-General, dated Fort William, 27th November 1873, No. 3,187.

I am directed to state that the Governor-General in Council has cancelled the orders conveyed to you in this department's letter, No. 833, dated 6th June 1873, and that any subsidiary instructions based upon those orders, which may have issued from your Office, should therefore be withdrawn.

2. I am, also, to state that the system of accounts prescribed for the Inland Customs Department in your letter, No. 1,806, dated 14th March 1871, will remain unaltered.

Copy forwarded to the Commissioner of Inland Customs for information.

From E. GAY, Esq., Deputy-Comptroller-General, to the Accountant-General, Madras, dated Calcutta, 13th February 1874, No. 1,280.

IN reply to your letter, No. 9,172, dated 28th ultimo, I have the honor to forward herewith a copy of the letter from this Office, No. 1,806, dated 14th March 1871, addressed to those Accountants-General who audit the accounts of the Inland Customs Department, and to state that, according to the instructions contained in paragraph 5 thereof, "such portion of the moneys paid into treasuries by Customs Collector as belong to Government will be credited as revenue, while double duties, sale-proceeds of confiscated goods, *etc.*, which are payable to informers, Customs officers, and others, will be credited to 'Customs Deposits.'" No payments are to be made out of those deposits without the countersignature of the Commissioner.

From H. SANDEMAN, Esq., Officiating Comptroller-General, to the Accountant-General, North-Western Provinces, Punjab, and to the Deputy-Accountant-General, Central Provinces, dated Calcutta, 14th March 1871, No. 1,806.

I HAVE the honor to state that, at the instance of the Commissioner of Inland Customs, the Government of India, in the Financial Department, has been pleased, under date 15th ultimo, to [illegible] the present system of accounting for the receipts and expenditure of the Customs Department:—

1st.—From the next official year, Customs Collectors will cease to render accounts to your Office.

2nd.—Treasury officers under your control will submit to the Commissioner of Inland Customs, through the Collectors of Customs, monthly detailed collection statements in a form which will be printed and supplied to them by that officer.

3rd.—In lieu of the accounts hitherto furnished to you by the Collectors of Customs, the Commissioner of Inland Customs will submit to you provincial collection statements containing the collections in each district under the proper budget heads.

4th.—The above statements will be checked by you with the credits afforded in the accounts of treasury officers, and any differences discovered will be brought to the notice of the Commissioner direct; adjustments to credit of Customs' revenue being made with reference to entries in the treasury accounts.

5th.—In future, such portion of the moneys paid into treasuries by Customs Collector as belong to Government will be credited as revenue, while double duties, sale-proceeds of confiscated goods, *etc.*, which are payable to informers, Customs officers, and others, will be credited to Customs Deposits. No payments are to be made out of those deposits without the countersignature of the Commissioner.

6th.—The final audit of expenditure, both as well as contingent, will continue with you, though the Commissioner of Inland Customs will primarily audit those charges in his Office.

7th.—Provincial charges sheets will likewise be furnished to you by the Commissioner, but those returns will be simply checked in your Office and the debits made with reference to the payments in the treasury accounts.

8th.—Retrenchments made by the Commissioner and communicated by him will be duly noted in your Office for recovery or adjustment while retrenchments made by you will be similarly intimated to that officer.

9th.—In the case of the Sambhur Lake, which has a separate treasury, the Assistant Commissioner will continue to furnish to you a copy of his cash account, his 1st and 2nd lists of payments, and cash balance memorandum.

It will be borne in mind that all communications with the subordinate officers of the Customs Department must pass invariably through the Commissioner of Inland Customs.

With reference to Government Order No. 1119 of the 1st Instant, I have the honor to furnish the following report on the subject of the Authority under which payments are to be made out of Customs deposits.

The directions contained in Circular No. 40 of the 2nd March last, are based on instructions issued by the Comptroller General to the Accountant General of the North Western Provinces Punjab and Central Provinces, with regard to the system of accounting for the receipts and expenditure of the Inland Customs Department of the Bengal Presidency.
