*Proceedings of the Madras Government, Revenue Department,
16th October 1874.*

No. 193. Read the following Endorsement of the Acting Under-Secretary to Government, Public, *etc.*, Departments, dated 3rd October 1874:—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to the Chief Secretary to Government, dated Tripatore, 29th September 1874, No. 367.

With reference to G. O., No. 1,100, of the 28th August 1874, I have the honor to request that Government will be pleased to reconsider their order declining to sanction the deduction from the peishcush of the Salem Muta of the sum of Rs. 6-4-9, being assessment on the Mussulman burial ground of the town of Salem.

2. The burial grounds of this community (more than twelve in number) being over-grown, it became necessary, on sanitary grounds, to close them, and, with the sanction of Government accorded in G. O., No. 1,074, of 17th July 1871, the present ground was opened for all Mussulmans.

3. I further beg to state that, if this land had been taken by Government for a similar purpose through the Collector of the district, the assessment thereon would have lapsed. The Commissioners took up this land in the expectation that they would not be charged with the assessment. The Commissioners, therefore, earnestly request that Government will be pleased to order the assessment in question to be written off the permanent beriz of the Muta.

Acting Under-Secretary to Government.

OCTOBER.

Nov. 193-194.

Land in Salem Mula taken up by the Municipality for a Mahomedan Burial Ground. - Deciding to reconsider the previous decision in the matter of the reduction proposed to be made in the peishcar of the Mula for -

in the capacity, probably,
of President of the Municipality and refers to an
order of Govt in the Public
Department sanctioning
the purchase of this piece
of ground.

The original sanction of
Govt to the purchase is required
by Section 135 Act III of 1871
(Madras) which directs that
"the Commissioners shall from
time to time, from the funds
at their disposal, and with
the sanction of the Governor
in Council provide fitting

places to be used as burial
or burning ground for the
use of the inhabitants of
the town."

The Salem Commissioners
accordingly asked permission
to purchase for Rs 276-9-0
a suitable piece of ground
& the Govt sanctioned their
proposal (G.O. 17 July 1871 No 1074
Public Dept).

The Collector now says that
they took up this land with the
expectation that they would
not be charged with the
assessment, but he does
not explain how it was that
the fact of the land being
chargeable with a payment

of Rs 6-4-9 per annum was sub-
mitted in the calculation of its
value which, it has been already
shown, should be paid for from
the funds at their disposal.

I submit that there are
no grounds for reconsider-
ing the decision of the 28th
August which is based on
a correct principle.
