No. 267. Read the following petition from C. V. RUNGASAWMY NAIDOO,
late Town Police Ameen of Trichinopoly, dated 24th August 1874.

ABSTRACT.—Submits for transmission a memorial to the Secretary of State for India, praying for orders to restore him to his former post, or re-employ him in a similar post.

ENCLOSURE No. 1.

To the Most Noble the MARQUIS OF SALISBURY,

Her Majesty's Secretary of State for India, London.

The humble Memorial of C. V. RUNGASAWMY NAIDOO,
late Town Police Ameen of Trichinopoly.

MOST HUMBLY SHEWETH,

That memorialist, while holding the above post, was sentenced by the Acting Head Assistant Magistrate on a false charge of assault alleged to have been committed on the 22nd March 1857, which was reversed on appeal to the High Court in their Extract, dated 20th July 1857 (copy of which is submitted), in which it is observed that the charge was not made out and that the evidence for the prosecution was false and exaggerated.

2. That memorialist thereupon moved the High Court to direct his restoration which they declined, as they had no authority to do, it resting with the Revenue Board alone to deal with his case (*vide* their Extract, dated 24th September 1857, enclosed).

3. That memorialist, preparatory to petitioning that authority, applied to the Collector for restitution on the 29th September 1857, but was told to wait. Having done so for some time without avail, he applied to the Revenue Board on the 14th February 1858, who referred him to the Collector whose province it was to deal with his case.

4. That memorialist was afterwards appointed by the Session Judge as Acting Deputy-Jailer on the 29th August 1858, and on the 9th October following appealed to the Government, but received no reply.

5. That memorialist a second time appealed to the Government who, in their orders, Nos. 2,111 and 3,096, dated 5th November 1860, declined to cancel his dismissal on the ground of its having been more than three years ago, and "now for the first time appealed against."

6. That this remark is quite at variance with real facts, as your Lordship will perceive from the above facts; for, from the time his sentence was reversed by the High Court to the date of the above order, memorialist presented petitions to the High Court, Collector, Revenue Board, and to the Government the last, on the 9th October 1858, not quite two years prior to their order abovementioned of the 5th November 1860. He has ever since on a vacancy in the post from which he was removed, and in others in the magistracy, presented applications for re-employment.

7. That memorialist was appointed to his late post, at a time when Trichinopoly was in a very disturbed state from constant grain riots and faction fights between Hindus and Mahomedans. Two Police Ameens were removed from incompetency. At this crisis, memorialist was selected for the perilous post, and it is on record that by untiring energy he reduced the Town to perfect order, and while other officials whose services to the State cannot be compared with those rendered by him were restored, and he alone is made an exception.

8. That a late Police Ameen who had been removed for giving a pass to a Cabulce during the rebellion, meeting with no redress, memorialised the Secretary of State for India, and was by his despatch of the 14th August 1862, No. 9, reinstated.

9. That memorialist begs to mention that his late father was a Subadar in the 27th Regiment, N. I., was present at the siege and capture of Seringapatam, at the battle of Mehedpore, and other actions in Southern India, and won the approbation of his commanding officers.

*Proceedings of the Madras Government, Revenue Department,
21st October 1874.*

10. That memorialist, trusting in the justice and benevolence the popular voice attributes to your Lordship, and being a man suffering great extremities for the want of a livelihood to support his family, prays your Lordship will, on a perusal of this memorial, despatch an order to the local Government for restoration to his post or re-employment in a position equal to the same.

Copies of testimonials are submitted for your Lordship's perusal.

And memorialist, as in duty bound, will ever pray.

TRICHINOPOLY, 24th August 1874.

TESTIMONIALS.

A

1. I have much pleasure in bearing testimony to the zeal and activity of Rungaswamy Naik Police Ameen of Trichinopoly. He is an Excellent Police Officer and has done a great deal towards repressing crime in this town.

Trichinopoly }
28th February 1855. }

(Signed.) H. E. SULLIVAN C. S.
Head Assitt. Collector & Magistrate.

2. Rungaswamy Naik, Police Ameen of Trichinopoly is a very active and useful officer as a detective he is a very good, and probably the best man for the place that could be found. He was at one time careless in the methodical arrangement of Evidence in Committable cases, but I have no doubt that with Experience he will be as efficient in this branch of his duty as he is in every other, I wish him every Success.

(Signed.) J. R. KINDERSLEY
Head Asstt. Collector.

3. Having been employed in Trichinopoly but for the Short period of from Seven to Eight Months it was not my intention to have granted Certificates of Character and conduct to any of the Public Servant. I cannot however refrain from making an exception in favor of Rungaswamy Naik, the Goondoo Salay Police Ameen His Public duties are of a nature so onerous and Such as require the exercise of so much zeal, energy and tact as well as (what is so rarely met with as native of his class) phical courage and activity that it would hardly be an act of justice on my part were I to leave the District without recording my Sense of the excellent and praisedworthly manner in which he has performed them, during the time he has Served under me.

With a view to its being of future benefit to him as long as he continues to occupy his present situation, I will here, add that I am well aware that, both in the execution of his ordinary duties, he has raised against himself a number of enemies (chiefly Brammins & Mussalmen, the former class including Public servants, as well as Private individuals,) who will leave no stone unturned in their efforts to ruin his Public characters and bring disgrace upon him, and who are utterly unscrupulous as to the means made use of to effect the end they have in view.

Should their malicious misrepresentation, of which, as they already have been they will doubtless continue to be, unsparing, even be so for Successful as to oblige him to defend his character, may be allowed to carry some weight with it.

3 Extract from the Proceedings of the Foujdaree Udalt under date the 6th February 1856.

The Humble Memorial of C. V. Rengasawmy Naik
late Town Police Ameen of Trichinopoly

Most Humbly Sheweth,

That Memorialist while holding the above post was sentenced by the Acting Head Magistrate Assistant on a false charge of Assault, which was revoked on Appeal by the High Court (Copy of whose Extract dated 20th July 1857 is submitted).

2. That Memorialist thereupon moved that Court to order his Restoration, which they declined to do, as having no authority & referred him to the Revenue Board. Undt. Extract dated 24th Sept. 1857 enclosed.

3. That Memorialist preparatory to petitioning the Revenue Board, applied to the Collector for restitution on the 29th September 1857, but was told to wait. Having waited sometime, he applied to the Revenue Board on the 14th February 1858, and was referred to the Collector, as being his province to deal with the case.

4. That Memorialist was afterwards appointed by the Session Judge Acting Dep^y Jailor on the 29th August 1858. On the 9th October following he appealed to the Government but received no reply.

5. That Memorialist a second time appealed to the Government who in their Order No. 2111 + 2096 dated 5th November 1860, declined to cancel his dismissal as more than 3 years had elapsed, and now for the first time appealed against."

6. That this remark is quite at variance with the facts, as your Lordship will perceive from the above statement, as from the time his sentence was revoked by the High Court to the date of the above Order - he presented Petitions to the High Court, Collector, Revenue Board, and the Government, not quite 2 years prior to the order above referred to. He had ever since on a vacancy occurring made Applications for his post or any other in the Magisterial Department. That Memorialist was appointed to his late post, at a time when Nuchimpally was in a very disturbed state. Two Police Officers were removed for incapacity, & Memorialist was selected to meet the crisis. It is on Record that by his untiring energy he restored order - while other officials whose services cannot be mentioned with him, have been restored, he alone is made an exception.

8. That a late Police Officer who had been removed for giving a Pass to a Sahib during the Rebellion, meeting with no redress, was by the Secretary of State of India's Despatch restored.

9. That Memorialist trusting in the justice & benevolence of your Lordship most humbly prays his Case may be taken into due consideration

and

and a Despatch issued for his re-employment.

And Memorialist as in duty bound
Will Ever pray

Read again M. P. presented on the 2^d ulto for Rengasamy Nallal Town Police Ameen of Trichinopoly.

Read also Return d/8th June from the Trichy Sessions Judge to Prescript of 8th idem calling for the Record of the Case.

1. The Court having carefully perused the same, fails to discover that such a case had been made out against Pet: as to justify the sentence recorded, which is therefore set aside.

2. The evidence for the prosecution is in the opinion of the Court false & exaggerated. The Court are at a loss to understand why so much delay occurred in holding the original enquiry. The assault took place on the 22^d March & altho all parties were present on the spot, no D positions appear to have been taken till the 14th April.

3. It is asserted that Provocators were present, the door broken open, yet no steps appear to have been taken to test the truth of these statements, altho it is manifest that such might easily have been done.

Read M. P. presented 19th Inst on behalf of Rengasamy Nallal.

Prays as the sentence passed on him has been set aside, the Court will direct his restoration.

2. The Court have no authority to do so - With the Revenue Bd alone rests the power of dealing with cases such as Pet's.

3. The power of reversing a Criminal sentence does not also give authority to the Court to direct the Magistrate to re-instate the D appt.

in the Office from which he may have been dismissed in
consequence of such sentence. In dismissing a Public Servant
under such circumstances, the Magistrate does not act in a
judicial capacity but is only with acts done in that
capacity that the H. H. can interfere.
