No. 306. Read the following Proceedings of the Board of Revenue, dated 23rd October 1874, No. 3,088, Forest, No. 204 :—

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 3rd September 1874, No. 302 :—

In my letter to the Board, dated 15th July 1873, No. 219, I submitted proposals for the additional establishment required for the Forest Department in this district, which was referred to the Inspector of Forests for his opinion with the Board's Proceedings, dated 7th March 1874, No. 511 (Forest No. 20), but it seems that he has not yet replied to it. During his late tour to Madura, the Inspector informed the Deputy-Conservator that he is not prepared to make the report called for, until he has collected the necessary information to mature a scheme of establishment for the whole Presidency.

2. Apart from the general scheme for the whole district submitted by me, I have now the honor to bring to the notice of the Board the urgent necessity of the permanent employment of the temporary establishment in the Lower Pulneys (referred to in paragraph 4 of the above letter) at a cost of Rupees 92 per mensem. A statement showing the receipts and charges of these Hills from June 1872 to July 1874 is enclosed, which shows a net saving of Rupees 1,372 during that period. The establishment is now paid from Working Charges, and it is recommended that it be permanently employed. It ought not to be discontinued, as the revenue of these Hills is expected to increase further.

3. Owing to an inadvertence in the office of the late Inspector of Forests, the report called for in the G. employed, the cost being debited to Working Charges from July 1873, before which it was debited to Establishments.
