Proceedings of the Madras Government, Revenue Department,
28th October 1874.

No. 310. Read the following Proceedings of the Board of Revenue, dated 9th October 1874, No. 2,939:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 8th September 1874, No. 473:—

In enclosing copy of a letter from the Deputy-Collector, General duties, No. 311, dated 11th ultimo, I have the honor to request that the necessary sanction may be obtained for an annual payment in cash of Rupees 5-7-11 to the Dharmakarta of the Vishnu Pagoda at Mekkalur, in Trinomalay Taluq, being the difference between the taram and the special rate of assessment on Field No. 896, measuring Cawnies 2-5-3, which is a portion of the Maniem assigned in lieu of ready money payments to the said Pagoda in 1866. The field in question forms a part of the lands made over to one Tiroomalai Reddy in 1865, under Standing Order, No. 125, at a special rate of assessment of Rupees 2-8-0, per acre, in consideration of the restoration of a ruined tank, and it is now reported that the then Dharmakarta was not aware of the grant of the land to Tiroomalai Reddy on a favorable assessment at the time he selected the field as part of the Pagoda Inam. The holder of the field of course pays to the Pagoda at the rate of only Rupees 2-8-0, per acre, instead of at the taram rate of Rupees 4-1-4, per acre, making the difference.

Enclosure No. 1.

From C. SRIBALIAH, Deputy-Collector, General Duties, to J. H. GARSTIN, Esq., Collector of South Arcot, dated Trikalore, 11th August 1874, No. 311.

In the Village of Mekkalur, in Trinomalay Taluq, one Tiroomalai Reddy applied for permission under Standing Order, No. 125, to repair a ruined tank called Tachampaudy Tangal, and the same was granted in Collector's order No. 93, dated 27th January 1865, to the Tahsildar of the taluq, and the Tangal made over to the applicant on condition of his paying a special rate of assessment, viz., Rupees 2-8-0, per acre, on the lands under the tank.

2. When assignments in land, instead of cash allowances, were made subsequently to the Vishnu Pagoda, at Mekkalur, the Dharmakarta selected, among other lands, also Field No. 896, under the private tank, measuring Cawnies 2 A. 5 P. 3, (A. 3 C. 11) and assessed at Rs. 13-4-4. The then Dharmakarta of the Pagoda was not aware at the time, it is now alleged, of the grant of the land to Tiroomalai Reddy on a favorable assessment, and orders were, in the usual course, given assigning the assessment of the lands selected by the Dharmakarta in Collector's order, No. 6, dated 6th July 1866 to the Tahsildar, in which the present field was of course included. There is thus a loss of Rupees 5-7-11 * to the Pagoda income owing to the special assessment leviable on the land. I therefore beg to recommend that an amount equal to the loss (Rupees 5-7-11) be ordered annually to be paid in cash to the Dharmakarta of the Pagoda.
