No. 39. Read the following letter from J. GROSE, Esq., Secretary to the Board of Revenue, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Madras, 19th September 1874, No. 2,697 :—

With reference to Board's Proceedings, dated 3rd September 1874, No. 2,487, paragraph 9, I am directed to state that the Board think the Excise System should be introduced next year in the case of the Bellary Cantonment Abkari Farm.

2. This farm is sold separately from the rest of the Bellary District. It has been managed on the Amani System for a long series of years. It is thickly populated and of limited extent. The revenue involved is Rupees 92,000 a-year. In all respects it seems to the Board that the circumstances of the farm are exactly the circumstances required to make the Excise System practicable and successful.

3. I am further directed respectfully to point out that, unless orders are passed soon on the Proceedings to which I have referred, it will be impossible to introduce the changes which the Board have proposed when the present Abkari leases close and new ones commence next fasli.

From,

The Secretary to the
Board of Revenue.

To, The Acting Secretary to
Government Revenue
Department.

Sir,

With reference to Board's Proceedings 3rd September 1874 No. 2487 para 9. I am directed to state that the Board think the Cruise system should be introduced next year in the case of the Bellary Cantonment Akkary Farm.

This Farm is held separately from the rest of the Bellary District. It has been managed on the Amani system for a long series of years. It is therefore only

[illegible] populated and of limited extent.
The Revenue involved is £2000
a year. In all respects it seems
to the Board that the circumstances
of the Farm are exactly the cir-
cumstances required to make
the Excise System practicable
and successful.

I am further directed re-
spectfully to point out that
unless orders are passed soon
on the Proceedings to which I have
referred, it will be impossible
to introduce the Changes which
the Board have proposed when
the present Distillery leases close
and new ones commence next
July.
