No. 76. Read the following Proceedings of the Board of Revenue, dated 20th October 1874, No. 3,041:—

Read the following papers:—

From W. D. HORSLEY, Esq., Collector of Cuddapah, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 26th February 1874.

Tabular Report on a lapsed Yeomiah Pension in the District of Cuddapah.

No.	Taluq and Village; extent and value of the entire Inam.	When and by whom granted; name of the original grantee; Sanads or other documents in support of the grant.	Nature of the grant, charity or service; if service, nature of the duty prescribed by the grant.	Name of the last holder, date of his decease, and the relationship in which he stood to the grantee.	Share enjoyed by the deceased, and that held by other members.	Family left by the deceased, and name and age of the parties, their circumstances, and the means of subsistence possessed by the family.	Remarks.
1	Neelacuntarowpett, a hamlet of Vedullachervoo in the Royachoty Taluq. An annual allowance of Rs. 20-15-5 entered in No. 122 of Mr. Roe's Register, Settlement S.	Granted by Mayanah Government on the 29th Rajul of 1187 Fijri, and sanctioned by the British Government, under date the 13th July 1801, as per entry in the Register. The name of the original grantee is now stated to be Syed Nabishah, but the grant was sanctioned by the British Government to Syed Noorshah the last incumbent. No Sanads are forthcoming, with the exception of an order issued by Mr Hanbury, the Collector, under date the 27th July 1818, directing that the Yeomiah should be enjoyed by the deceased Syed Noorshah, as reported by the Sub-Collector.	Charitable Yeomiah granted to a Makandar, as per entry in the old Register on record in this office.	Syed Noorshah, the last incumbent, died on the 16th September 1869. He is reported to be the son of the original grantee, Syed Nabishah, whose name is entered in the accounts of Fasli 1220 (1810-11.)	The whole allowance was enjoyed by the deceased.	1. Fatmabee, widow of the deceased, aged 50 years. 2. Nabishah, eldest son of the deceased, aged 36 years. 3. Syed Alli, 2nd son of the deceased, aged 30 years. 4. Darbeeshah, 3rd son of the deceased, aged 12 years. 5. Nanneshah, 4th son of the deceased, aged 8 years. The family is reported to be in indigent circumstances. They possess also Khyratee Inam consisting of A. 5, C. 25, V. 10, bearing an assessment of Rupees 3-0-5.	This is a Yeomiah originally granted to Makandar Syed Nabishah by the Mayanah Government, and appears to have been renewed by the British Government in the name of his son, the deceased Yeomiahdar, named Syed Noorshah, under date the 13th July 1801. On the death of the last incumbent, a tabular report in the prescribed form was received from the Sub-Collector recommending the continuance of the allowance to his 2nd son Syed Alli, on the grounds that the service is being performed, that the elder son of the deceased is not in his right mind, and that the consent of the family has been obtained to the 2nd son succeeding to the grant. In the lists of Yeomiahs annually submitted to the Board of Revenue, the deceased Yeomiahdar has been entered under the head "*for one life.*" With reference to this entry, this Yeomiah was considered by Mr. Master, the late Collector, to have lapsed to Government with the death of the deceased, but the Sub-Collector has strongly urged its continuance to the 2nd son of the deceased on the grounds that service is being performed, and because the certificate granted to the deceased Yeomiahdar by Mr. Cochrane, a former Collector, under date the 16th April 1850, contains a condition of the grant "*for life of the present incumbent and hereditary as long as the service is performed.*" An unsuccessful search has been made in the office records to discover the Government Order on this subject. In order to find out some clue to the entry "*for life*" made in the annual list of Yeomiahs, the original list first sent to the Board of Revenue from this office, under date the 10th December 1855, was obtained from the Board's Office, with their Official Memorandum No. 1,666, dated 28th October 1873, and a further search has been made in the Vernacular Records, but to no effect. From the word Makandar appearing in the register, I imagine that the allowance was granted for services rendered to a Makan, and as the Sub-Collector reports that the service is still being performed, I beg to recommend that the allowance may be continued to Syed Alli, 2nd son of the deceased, from the 17th September 1869.

Tabular Report on a lapsed Yeomiah Pension in the District of Cuddapah.

No.	Taluq and Village, extent and value of the entire Inam.	When and by whom granted; nature of the original grantee; Sanads or other documents in support of the grant.	Nature of the grant, charity or service; if service, nature of the duty prescribed by the grant.	Name of the last holder, date of his decease, and the relationship in which he stood to the grantee.	Share enjoyed by the deceased, and that held by other members.	Remarks.
1	Town of Royachoty, an annual allowance of Rs. 20-15-3, entered in No. 120 of Mr. Ross' Register, Statement Z.	Granted by Mayaah Government on the 2nd Rajul of 1176 Fijri, and sanctioned by the British Government, under date the 18th July 1801, as per entry in the Register. The name of the original grantee is stated to be Kazi Darwashah, but the grant was sanctioned by the British Government to Syed Abdoolcander, the last incumbent. No Sanads are forthcoming, with the exception of an order issued by Mr. Hanbury, Collector, under date the 29th July 1818, as reported by the Sub-Collector.	Charitable Yeomiah granted to a Makandar, as per entry in the old Register on record in the office.	Syed Abdoolcander, the last incumbent, died on the 14th October 1871. He was the grandson of the original grantee.	The whole amount was enjoyed by the deceased.	This is a Yeomiah originally granted to Makandar Kazi Darwashah by the Mayaah Government, and appears to have been renewed by the British Government in the name of his grandson, the deceased Yeomiahdar, named Syed Abdoolcauder, under date the 13th July 1801. The Sub-Collector, on the death of the last incumbent, submitted a tabular report, recommending the allowance to be registered in the name of Syed Hyder Sahib, elder son of the deceased, as the service is still being performed at a tomb of his ancestors; but in the annual Yeomiah list submitted to the Board of Revenue, the deceased Yeomiahdar has been entered under the head "*for life.*" Doubts then arose as to the further continuance of the allowance, and a long unsuccessful search has been made in the office records to ascertain the real nature of the grant. As the word "Makandar" appears in the old register, it is inferred that it was granted for rendering service to the religious institution, and so entered in the certificate granted to the deceased by a former Collector, under date the 5th July 1860; and as the Sub-Collector reports that the service is still being performed, I recommend that the allowance may be registered in the name of Syed Hyder Sahib, eldest son of the deceased from 15th October 1871, with arrears due to the deceased before his death.

1. Syed Hyder Sahib, son of the deceased, aged 40 years.
2. Syed Mohaddeen Sahib, 2nd son of the deceased, aged 38 years.
3. Syed Nabbee Sahib, 3rd son of the deceased, aged 34 years.
4. Syed Mahammed Sahib, 4th son of the deceased, aged 29 years.
5. Syed Joof Sahib, 5th son of the deceased, aged 23 years.

They are reported to be in indifferent circumstances. They possess some Inam lands in the villages of Bundlapally and Abbavaram in the Royachoty Taluq, consisting of A. 28, K. 19, V. 14, bearing an assessment of Rupees 8-15-11.

Family left by the deceased, and name and age of the parties, their circumstances, and the means of subsistence possessed by the family

From J. D. B. GRIBBLE, Esq., Acting Sub-Collector, to W. D. HORSLEY, Esq., Collector of Cuddapah, dated Madanapally, 16th July 1874, No. 378.

With reference to your foot-note of the 16th May 1874, to the official memorandum from the Board's Acting Sub-Secretary, under date the 7th idem, No. 579, I have the honor to state that the "Makan" therein referred to is an ancient tomb at which vows and other services are performed by visitors, and is considered by the Mahomedans as a religious institution.

2. The nature of the service rendered by the present applicant, Syed Alli, is to be always in attendance at the tomb, and daily to keep lights and offer prayers.

3. The draft copy of the tabular report received with your foot-note under acknowledgment is herewith returned.

Adverting to the official memorandum from the Acting Sub-Secretary to the Board of Revenue, dated 7th May last, No. 580, communicated to this office under your foot-note, No. 267 of the 21st idem, I have the honor to state that the tomb therein referred to is venerated as that of a person of reputed sanctity, and the service rendered by the Makandar is more of a charitable than of a religious character.

Submitted for the orders of Government.

2. These papers relate to two religious service Yeomiahs that were discontinued on the death of the late incumbents, one in 1869 and the other in 1871, because they were described in the annual Yeomiah lists as grants "*for one life.*" The present Collector regarding this as a mistake recommends their renewal and continuance with arrears to the heirs of the late incumbents on the ground that they are religious service grants and that the service is regularly performed.

3. He is unable to explain how they came to be entered in the Yeomiah list as "for one life;" but the Board think it probable that the entry originated with reference to Extract from Minutes of Consultation, dated 21st October 1851, the order quoted in the Civil Auditor's list of pensions, etc., in support of the grants, para-

graph 1 of which, referring to certain allowances retrenched by the Civil Auditor, sanctioned their continuance to existing incumbents, but directed that on the occurrence of lapses, the circumstances of each family should be reported, and that no further payment should be made without the previous sanction of Government.

4. As the allowances were originally granted for religious service which is duly kept up, the Board are of opinion that under Standing Circular No. 480, they should be continued with arrears to the heirs of the last holders as recommended by the Collector.

No. 77. ORDER THEREON, 9th November 1874, No. 1,421.

Miscellaneous.

THE Governor in Council concurs in the recommendation made in paragraph 4, and sanctions the continuance of the allowances as proposed.
