Proceedings of the Madras Government, Revenue Department,
12th November 1874.

No. 106. Read the following Proceedings of the Board of Revenue, dated 9th November 1874, No. 3,216 :—

Read the following letter from W. F. GRAHAME, Esq., Acting Principal Assistant Collector, to R. DAVIDSON, Esq., Acting Collector of Ganjam, dated Chicacole, 12th October 1874, No. 318 :—

I HAVE the honor to enclose copy of a letter No. 162, dated 6th October 1874, from the Sea Customs Superintendent at Calingapatam, suggesting the early construction of a shed on the beach at that port. Government in their Order No. 540, dated 4th May last, sanctioned the construction of a store-shed at Calingapatam at a cost of Rupees 3,770, but directed that it should be considered in the Financial Department whether funds could be assigned for the work from the balance under Provincial Funds. I have not received any subsequent orders on the subject. Calingapatam has now been made a Port of Call by the B. I. S. N. Steamers, and as such, the construction of the shed is much required. I therefore request that you will be good enough to apply to Government for early orders in the matter.

No. 2,253.

SUBMITTED to the Board of Revenue with reference to G. O., dated 4th May 1874, No. 540, communicated with the Board's Miscellaneous No. 3,312, dated 19th idem, with a request that they will be pleased to obtain an allotment of funds for the work.

Acting Collector.

BERHAMPORE,

ENCLOSURE No. 1.

From Mr. W. S. FARLEY, Sea Custom Superintendent, to W. F. GRAHAME, Esq., Principal Assistant Collector of Ganjam, dated Calingapatam, October 1874, No. 162.

Now that the B. I. S. N. Company's Steamers are to call at this port regularly every week, both when bound up and down the coast, as also the Burmah Steamers to call in bi-monthly, the want of the goods shed on the beach to store away cargo against the arrival of the vessels is sorely felt by the shippers, especially in the rains. I beg, therefore, to suggest it desirable that you cause the work to be taken in hand and executed as fast as practicable. The shed under allusion, I find by the Proceedings of the Board of Revenue, as per margin, is about to be sanctioned, if not already effected; but as yet no steps appear to have been taken to provide for that most essential want of the port.

Miscellaneous.

REFERRED to the Financial Department with reference to the orders in that department, dated 16th May and 24th August 1874, Nos. 852 and 1,410. The provision of Rs. 3,770 made in paragraph 3 of the latter order is evidently for the store-shed at Calingapatam and not for one at Negapatam, as therein stated.
