ABSTRACT.—*Stamp Department.*—Passing orders on Proceedings of the Board of Revenue reviewing report on the operations of the — for Fasli 1284, or the year ending 30th June 1874; and desiring them to consider the practicability of submitting future reports earlier.

COMMUNICATED to all Collectors, Commissioner of Nilgiris, and the Superintendent of Stamps.

2. With regard to the decrease of revenue in Nellore referred to in paragraph 2 of the Government Order, the Board are not aware of any special cause to which it is attributable, and the Collector is requested to investigate and report on the point at an early date.

3. *Paragraph* 4.—The Government Order* prescribing a form of statement for the exhibition of revenue levied by stamps for the service of processes and the cost of process service establishment to be furnished with the annual stamp report has been disposed of in Board's Proceedings, dated 23rd January 1877, No. 252.

* G.O., dated 24th October 1876, No. 2,463, Revenue Department.

4. *Paragraph* 7.—The difference in the receipts and charges of the Stamp Department as given in the Board's Settlement report for Fasli 1284, and those furnished in the Stamp report, is as shown in the margin. The difference in the receipts is owing to the Stamp Superintendent having shown in his accounts the cost of water-marked paper and adhesive stamps supplied to Mysore, which was not included in the Board's Settlement Report. The difference in the charges is due to certain adjustments made by the Accountant-General, whose figures were adopted in the Settlement Report. This was explained in paragraph 19 of the Board's review.

—	Receipts.	Charges exclusive of the cost of Stamps, &c., received from England.
	Rs.	Rs.
As per Stamp report... ...	49,67,565	1,39,658
Do. Settlement report ...	49,65,817	1,38,943

5. *Paragraph* 8.—A copy of the report, dated 12th September 1876, No. 247, from the Collector of Malabar, as to the discrepancies referred to in paragraph 8 of the Board's Proceedings, is herewith submitted for the information of Government. The explanation of the Collector of Bellary was submitted with Board's Proceedings, dated 16th January 1877, Miscellaneous No. 557, recorded in G.O., dated. 19th January 1877 No 262.

6. The attention of the Superintendent of Stamps is specially invited to the last paragraph of the Government Order. It is observed that the Superintendent's report

for Fasli 1284 was submitted nearly five months after the prescribed date (30th September 1875); he is requested to expedite the submission of the report for Fasli 1285, which is already overdue.

No. 247

From W. Logan Esquire
Collector of Malabar

To C. A. Gattan Esquire
Acting Secretary to the
Board of Revenue
Madras

12 August 1876

Sir

Adverting to para 8 of the Proceedings of the Board of Revenue No. 1956 I have the honor to report that the errors referred to crept into the accounts of the compilation of the District Monthly Returns for December 1875 and January 1876 as explained in para 16 of the Stamp Superintendents

Superintendent's letter therein embodied
These mistakes were however continued
by the Clerks in charge of the Stamp
Accounts until 1874 when they
were brought to the notice of the
Treasury Deputy Collector. A careful
examination of the old accounts was
then made, the mistakes were detected
and steps were then taken to rectify
the same.

2 As these errors were committed
while compiling the District Returns,
they could not be noticed during
the periodical examination of
the stock of stamps, the stock being
compared with the stock book in
which the above errors had not
been made.
