Proceedings of the Madras Government, Revenue Department,
21st January 1861.

No. 284. Read the following Proceedings of the Board of Revenue, dated 24th December 1860, No. 6,046 :—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Tanjore, 19th December 1860, No. 411.

SIR,

1. In continuation of my letter of the 8th instant, I have the honor to report that the season still continues favorable, and from the reports which have reached me since I last wrote, the loss sustained by the entire absence of rain during the month of November is not so great as might have been anticipated.

2. Rain has again fallen, and on the 15th instant the rain fall at Negapatam was four inches; in the western part of the District the quantity has been much lighter, but at present the prospects of the season continue favorable and there are no grounds for apprehension.

Submitted to Government in continuation of the Board's Proceedings, dated 13th December 1860.

(A true Extract and Copy.)
