PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from

From the Editor of the Pioneer, to the
Secretary to Government, dated Madras
8th February and 7th March 1877

Could you oblige me by giving
orders to the effect that all public
communications and reports which are
from the various departments of the
Government of Madras to the local
papers, should also be posted to
this Office? From the other local
communications documents of that nature
are always sent to me, and I should
be greatly aided in dealing with
Madras Topics which are just
now of growing interest throughout
Northern India, by getting early
and authentic information to work
upon. Is not the Madras adminis-
tration Report for last year, either pub-
lished or on the eve of publication
a copy of it would be very welcome.

J.

I recently wrote asking you
kindly to supply the Pioneer with any
official papers issued to the local
Pres.

A telegram from you in reply
asked me what agent in Madras
would receive them. I have now
made arrangements with Messrs.
Higginbotham & Co., who will receive
and forward any official papers
you may be good enough to let
me have.

Order thereon 13 March 1877 No. 320

Ordered that the papers laid
on the Editors Table be supplied to the
Editor of the Pioneer, Newspaper, Alla-
habad through Messrs. Higginbotham
& Co. Madras who will forward them
to their address.

A copy of the administration Re-
port for 1875-76 will be sent to the
Editor when it is published.
