Proceedings of the Madras Government, Revenue Department,
26th April 1877.

Famine Relief.

No. 664A. Read the following Proceedings of the Board of Revenue, dated 16th April 1877 :—

Read the following letter from W. McQUIHAE, Esq., Collector of Madura, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Manamadura, 4th April 1877, No. 204.

With reference to the Order of Government, dated 7th March 1877, No. 977, and the previous orders regarding the method of employment of Bengal Civilians posted to districts here, I have the honor to inquire whether the orders to keep Mr. Kitts at head-quarters are imperative. I have a Temporary Deputy Collector generally at head-quarters, and if my movements are hampered in any way, it is by office work which no stranger can do for me. My intention, therefore, was to let Mr. Kitts assist the Sub-Collector, and if distress does not increase Mr. Baber may be allowed to return to his own department. I think it is a little dangerous to give much magisterial work to a Bengal Civilian ignorant of the language and habits of the people, and without a trained office establishment to assist him.

SUBMITTED for the orders of Government.

2. The G.O., 19th February 1877, No. 744, is not imperative. It says "it will probably be found convenient, &c." If Mr. McQuhae does not find it convenient to keep Mr. Kitts at head-quarters, the Board presume that he is at liberty to employ him wherever his services are most useful.
