Famine Relief.

No. 670C. Read the following Proceedings of the Board of Revenue, dated 13th April 1877 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chittoor, 14th February 1877, No. 109.

With reference to Board's Proceedings, dated 12th instant, I have the honor to state that some time back I requested the District Engineer to furnish me with measurement accounts of work done to the Suriagunta tank and other sources of water-supply at Vellore, and the measurement is now being carried out. As soon as I get the information I shall report as to the quantity of work done and its cost.

2. Adverting to paragraph 3 of the said Proceedings, I beg to state that the Municipality of Vellore is at present in a state of perfect bankruptcy, and I am sure that no portion of the cost of improving the minor source of water-supply in that town can be recovered from Municipal Funds, at any rate, for years to come.

THE Board await the Collector's report on the amount and cost of work done.
