*Proceedings of the Madras Government, Revenue Department,
27th April 1877.*

No. 673. Read the following Proceedings of the Board of Revenue, dated 6th April 1877, No. 1,526:—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 14th February 1877, No. 155.

I HAVE the honor to submit a copy of a letter received from Surgeon-Major J. Keess, M.D., in which he claims for conducting each examination in Zoology a fee equal in amount to the fee paid to him for each lecture.

2. In the estimates for the School of Agriculture which I submitted with my letter, No. 347, of the 7th of July 1875, and which estimates received the general approval of Government in their Order, No. 1,683, of the 24th of November 1875, it is stated that the lecture fees, Rupees 20 and Rupees 15, included, the former Laboratory Classes, Field Classes, and Examinations, and the latter, Examinations. The lecture fee for Zoology was afterwards raised to a level with the fee to be paid for lectures on the other subjects taught in the institution.

3. The examinations to which Dr. Keess refers are those held on Saturday mornings and those to be held at the close of the Session. Each lecturer will probably have on the average during the Session one examination to conduct in each month.

4. The mental and physical labor expended in conducting an examination is almost equal to the mental and physical labor connected with the delivery of a lecture here. I have the honor, therefore, to request that I may be permitted to pay to each lecturer for each examination he may hold a fee equal in amount to the fee paid to him for each lecture. The saving in the sanctioned estimates from the non-delivery of lectures on holidays will more than pay the examination fees for which I now ask sanction.

5. I understand that in the Medical College a lecture and an examination are considered of equal value as regards the fee to be paid.

ENCLOSURE No. 1.

From Surgeon-Major J. KEESS, M.D., Lecturer on Zoology at the Agricultural College, to W. R. ROBERTSON, Esq., M.R.A.C., Principal of the Agricultural College, Madras, dated Fort St. George, 25th January 1877.

I HAVE the honor to acknowledge the receipt of your letter, No. 78, of the 23rd instant, and to inform you that the examinations in Zoology will be conducted on the dates prescribed.

2. My fee for the examinations in Zoology will be in accordance with G.O., dated the 26th June 1876, No. 249, Educational Department—"The Governor in Council sanctions the payment of a fee of Rupees 20 to Dr. Keess for each lecture."
