*Proceedings of the Madras Government, Revenue Department,
5th February 1876.*

No. 49. Read the following Proceedings of the Board of Revenue, dated 6th January 1876, No. 20 :—

Read again Board's Miscellaneous Proceedings, dated 18th September 1875, No. 8,507.

Read also the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 25th September 1875, No. 370.

In reply to the Proceedings of the Board of Revenue, Miscellaneous No. 8,507, dated 18th September 1875, I have the honor to state as follows.

2. With the consent of the owners, two acres of a dry putta field No. 310 and the same extent of the Dasavandam Inam dry field No. 311 were at first proposed to be granted for the extension of the village-site of Ramdrug in the Alur Taluq.

On receipt of sanction* for the proposal, the owners refused to give up their lands. They were then taken up under

the Land Acquisition Act, and the District Judge was requested to settle the amount of compensation. He awarded Rupees 93 for each field and Rupees 14 for four tamarind trees situated on the Inam land.

3. The two acres in No. 311 being a portion of the Dasavandam Inam attached to a chattram, ready-money compensation cannot be paid to the owners, such payment being contrary to orders. It was, therefore, proposed to assign for it the assessment of two acres of other ryotwari land in the occupancy of the same persons. The Inam is of the same value to the Dasavandamdar as their putta lands.

4. When this proposal was made, the owners of the lands were sent for, but were not to be found. Their consent has not, therefore, been obtained.

5. The District Judge has made an award of Rupees 200 exclusive of costs, and this was represented in the remark-column of the statement under reference.

The lands noted in the margin having been taken under the Land Acquisition Act, and compensation settled by the

District Court, the settlement cannot now be altered and other land granted in lieu

of the money-compensation awarded. The Board accordingly request the sanction of Government for the payment from Imperial Funds of Rupees 200, being the amount awarded by the Court for the lands taken up under G.O., dated 10th February 1874, No. 179.

2. As, however, a portion of the lands taken up (two acres) is an Inam held for the support of a chattram, it is necessary that another Inam should be created for the service. The Board, therefore, authorize the Collector to convert two more acres of field No. 310, assessed at Rupees 3-8-0, into chattram Inam free of quit-rent. There is no need to take the land from the possession of the owner, who is also the Inamdar; the assessment thereon should be made payable for the service.

Proceedings of the Board of Revenue
Dated 18 September 1875

Read Statement from the collector of
Bellary dated 19th August 1875 of remuneration
in kind, and otherwise proposed to be given to
Saidars in lieu of their Sums which have
become unprofitable by some act of
Government in the District.

Read also Statement from the
Survey Office, dated 19th volume of compensation
for Rye burning lands taken up for public
purposes.

The remarks on the statement are not clear. The facts of the case, as the Board understands them appear to be these:

ryotwari and 2 acres of Passarandam Shan
land in the village of Ramadurg in
the Bellary District have been taken
up, under the Land Acquisition Act,
for the extension of the village site, and
compensation has been fixed by the
District Court.

3. The Court award gives the same
value for both the ryotwari and Shan
land, because the Passarandam Shan
is of the same value to the holder as
ordinary ryotwari land; the payment
being admitted merely as a remuneration
for service to be rendered in keeping
a tank in repair.

4. As then the Government have
lost the service for which the grant
was

was intended, the Collector proposes to assign
for it the assessment on two acres of other
ryotwari land in the occupancy of the
same party.

5. The Collector is requested to state
whether this is what is meant.

6. He will be good enough also to
report what portion of the sum of Rs 186
shown in the statement of ryotwari land
consists of cash.
