*Proceedings of the Madras Government, Revenue Department,  
28th April 1877.*

**Famine Relief.**

No. 692A. Read the following Proceedings of the Board of Revenue, dated 17th April 1877:—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Cuddalore, 20th April 1877, No. 24.

MR. DELAFOYE, lately appointed by Government as Overseer in connection with relief-works in this district, is now employed in charge of the construction of the Palar embankment at a distance of about  $1\frac{1}{2}$  miles from Vellore. He has hitherto used a velocipede in coming from Vellore to the scene of labor; but the formation of the embankment has now progressed to a considerable distance towards the west on the southern bank of the river, and its construction on the northern bank has just been undertaken. Mr. DelaFoye, to exercise constant supervision over the work on which a large number of coolies are now employed, has to travel a considerable distance and cross the river several times daily to superintend the work in progress on both banks.

2. On this ground Mr. DelaFoye has applied for a horse allowance to enable him to keep a horse for use on the works. As it is I think necessary for him to keep an animal of the kind, I beg strongly to support his application, and, in consideration of the high prices of straw and grain, I have the honor to recommend that a horse allowance of 20 Rupees per mensem be granted to him. Early sanction is requested.

SUBMITTED for the favorable consideration and orders of Government.
