Proceedings of the Madras Government, Revenue Department,
28th April 1877.

Famine Relief.

No. 693-C. Read the following Proceedings of the Board of Revenue, dated 17th April 1877 :—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Madaksira, 1st April 1877, No. 339 :—

THE formation of the earthwork of the proposed railway line between Bellary and Hooblee as a famine relief labor has been sanctioned (*vide* Government Order, No. 837-2, dated 27th ultimo, communicated by the Board in Miscellaneous No. 3,412, dated 8th instant).

2. This new line will have to pass through much private lands—putta as well as inam. As the land is taken up, compensation that should be paid to the owners will have to be settled. This work cannot be looked after by the existing staff of officers as their whole time is occupied in duty in connection with famine relief works.

3. The services of a Deputy Collector will, therefore, be necessary to look after this special work. I have the honor to request that one may be appointed.

SUBMITTED for the orders of Government. The appointment of a Special Deputy Collector seems requisite.
