2. Hospital Assistants attached
to Collectorate now draw travelling
allowances at the rates sanctioned for
revenue servants. These rates are higher
than those drawn by them when employed
on military duty, except as regard
railway fare. Under the rules of the
Revenue Department, only 3rd Class fare
is allowed when the salary drawn by the
Hospital Assistant travelling is less
than 50 Rs., while under the order
of the Government of India noted in the
line, Hospital Assistants on sick leave
from Corps or regiments are, without
reference to their pay, entitled to a seat
in the 2^d class.

3.

In the case under notice the
Salem Hospital Assistant whose salary
is below 50 Rs per mensem having
drawn the 2^d class fare instead of the
3rd class. The Board disallowed the 2^d
-ference, but the Accountant General
considers that under the order of the
Government of India quoted in the pre-
ceding para, he is entitled to the
2^d class fare.

4.

The Board do not agree
with the Accountant General in thinking
that the order of Government of India which
is observed, ^{was passed} with reference to the Special
Cases of Medical Subordinates on sick
leave from regiments is applicable to
Hospital Assistants employed in the Civil
Department. They are either Civil

or Military. and if the latter, they must
accept the disadvantages as well as the
advantages of the rules applicable to
the Department, and the Government
have in fact so decided in their
order dated 4th November 76 No. 2109,
but the Accountant General considers
that the above order must be considered
as superseded by the order of the
Government of India above referred
to. The orders of Government are
therefore solicited on the point.
