28th April 1877.

Famine Relief.

No. 700A. Read the following Proceedings of the Board of Revenue, dated 14th April 1877 :—

Read the following letter from H. T. ROSS, Esq., Head Assistant Collector, to J. H. MASTER, Esq., Collector of Bellary, dated Samandapalli, 28th March 1877, No. 172.

With reference to paragraph 4 of the Board's Proceedings, dated 21st February last, I have the honor to request that I may be permitted generally to give well works (in those cases only in which wells have been ordered to be sunk with the primary object of providing an immediate supply of water in places where it is scarce) on contract—first, as they require somewhat skilled labor; secondly, they cannot afford work to any considerable body of coolies; and, thirdly, where they are wanted they are wanted quickly for water and not to give direct relief. Though, as a rule, no work to be commenced hereafter is to be given on contract, the Board have excepted the case of wells in Coimbatore District, and I therefore request the same indulgence may be granted in similar cases in this district also.

Forwarded to the Board of Revenue for their favorable consideration.

(Signed) J. H. MASTER,
Collector.
