Miners' Work should not be taken up or
Relief Work — Co curring with the Board of
Miners in opinion that —

Proceedings of the Madras Government, Revenue Department,
16th January 1877.

No. 347. Read the following Proceedings of the Board of Revenue, dated 10th
January 1877:—

Read the following letter from J. R. DANIEL, Esq., Acting Collector of
Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of
Revenue, dated Cuddapah, 5th January 1877, No. 6.
I have the honor to submit a list of Local Fund works in the Madanapally
Circle for which estimates have been prepared and sanctioned both by the Local
Fund Board and the Revenue Board.

2. The majority of these are masonry works, which can only be carried out
by the Engineer Department.
3. I request that the Board of Revenue will obtain through the Accountant-
General a transfer of funds to the Department Public Works. These works can
then be carried out by that department, the accounts being submitted through the
Examiner of Accounts, and merely a list showing the number of coolies employed
on each work would be furnished to this department.

The Collector appears to intend that these works should be paid for from
relief funds. But as masonry works are not suited for unskilled labor, they cannot
be taken up as relief works merely to relieve the Local Funds.

(True Copy and Extract.)

H. E. STOKES,

Acting Secretary.
