ABSTRACT.—Communicating Proceedings of Public Works Department, dated the
16th June 1875, No. 1,700, passing orders on the subject of the submission of comple-
tion reports by Public Works Officers for works executed by the Civil Department.

THE Board presume that it was intended to include works of the class dealt with
in G.O., dated the 19th September 1873, No. 1,332, under clause 2 of paragraph 1 of
the Government Order, Public Works Department, above communicated.

2. But the Board think that the ruling should be separately given. It is that
completion certificates by Public Works Department Officers are not required for
repairs of roads having a mileage allowance of Rupees 55 and less and executed by
"Other Agency."
