No. 732. Read the following Proceedings of the Board of Revenue, dated 18th April 1877:—

Read the following letter from R. DAVIDSON, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 16th April 1877, No. 337.

With reference to Board's Proceedings, dated 24th March 1877, No. 1,331, I have the honor to inform you that when I was appointed to this district in December last, and called at the Government Office for instructions, I was informed by the then Chief Secretary, among other things, that if I knew of any suitable men I might appoint ten on Rupees 150 per mensem.

2. Mr. Rencontre was the first man I so appointed. He belongs to the Chingleput Court Bar; is strong and active; and, being anxious to qualify for a Government Revenue appointment eventually, he accepted famine duty, and has done very good work since he joined the district in January 1877.

3. He has charge of large and important road-works in the Nandicotkur Taluq, which necessitate his being constantly on the move, and hence the necessity for horse allowance and batta like others similarly employed.

No. 731. Read the following Proceedings of the Board of Revenue, dated 20th April 1877 :—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Darampury, 10th April 1877, S. N. No. 209-1,093.

I HAVE the honor to enclose, for the Board's sanction, an estimate for Rs. 3,332 for repairing the bund of the Veeragnur tank in the Ahtur Taluq. The bund is at present low, being only $1\frac{1}{2}$ feet above full tank level, and it is proposed to strengthen and raise it by $4\frac{1}{2}$ feet, which will place it 6 feet above full tank level and $4\frac{1}{2}$ above maximum water level. The work is well suited for relief purposes consisting almost of earthwork, and will provide employment for a large number for some time, as distress prevails in the neighbourhood.

---

THE estimate is sanctioned, but the work should not be commenced unless further necessity arises. There are already a larger number of works in progress than the Board think its condition requires.
