Famine Relief.

No. 751. Read the following Proceedings of the Board of Revenue, dated 21st April 1877, No. 1,841 :—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Callumadry, 2nd April 1877, No. 244.

I HAVE the honor to forward herewith an approximate estimate of Rs. 2,294 for removing silt from the bed of the tank at Ramandrug in the Sundur Territory out of the Famine Relief Fund placed at the disposal of the Agent to the Rajah of that State, and to request you will be good enough to obtain the sanction of the Board for the same.

2. The estimate in question has been prepared at the instance of the Agent, and has the approval of the District Engineer.

3. The work, I know myself, is a very necessary one, and work will soon be required for the relief laborers in Sundur, as the road upon which they are at present engaged will shortly be completed.

THE Board sanction the estimate at Rupees 2,300, but the Collector's attention is called to G.O., 31st March 1877, No. 1,285-B, and he is requested to explain Rajah of Sundur.
