No. 17. Read the following Proceedings of the Board of Revenue, dated 10th December 1869, No. 9,065 :—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 7th October 1869, No. 237.

In the marginal note of paragraph 7 of the Board's Proceedings of the 16th ultimo, No. 6,939, I find that the assessment to be paid to the Jaghiredar of Ammapolliem is entered up to Fusly 1275. I have the honour to point out that the assessment will have to be paid up to the final settlement of the case ; and my object in now addressing the Board is to save another application for the sanction of the Board and Government for the payment of assessment for subsequent years, commencing from Fusly 1276. I would suggest the payment of the assessment being limited to Fusly 1278, and that the Jaghiredar be told that no further payment will be made, as the delay in the settlement of the case rests *not* with the Government but with himself, and he should therefore be responsible for his own neglect.

Submitted to Government, with reference to Government Order, dated 12th November 1869, No. 2,951.

2. In the Order above quoted, Government have, as recommended by the Board in their Proceedings of the 16th September 1869, No. 6,939, sanctioned payment to the Jaghiredar of Ammapolliem of Rupees 470-5-0, the annual assessment on the land taken up for the Fuslies 1266 to 1275.

3. There is still due to him Rupees 141-1-6, assessment for three Fuslies 1276 to 1278, at Rupees 47-0-6 a-year.

4. The Board recommend that payment of this amount also be sanctioned, and that it be intimated to the Jaghiredar that no further payment on account of annual assessment, except for the current Fusly 1279, will be sanctioned, unless the settlement of the amount of compensation to be paid once for all be delayed from causes beyond his control.

No. 18. Order thereon, 5th February 1870, No. 162.

Land Revenue.

Sanction is accordingly granted for the payment of Rupees (141-1-6) one hundred and forty-one Anna one and Pies six to the Jaghiredar.

2. The recommendation of the Board that intimation be given to the Jaghiredar that no further payment on account of annual assessment, except for the current Fusly 1279, will be made to him, unless the final settlement of his claim is delayed from causes beyond his control, is approved.
