*Proceedings of the Madras Government, Revenue Department,*
*17th January* 1877.

No. 355. Read the following Proceedings of the Board of Revenue, dated 5th January 1877 :—

The relief reports for the 30th December will be submitted for the information of Government.

2. Returns from Nellore and Cuddapah have not been received, and telegraphic summaries only have come from Kistna and Kurnool. No maps have been sent with any of the reports, except that from Bellary. This is very unsatisfactory, as the Board hoped that the report for the 30th December, the third of those furnished, would have been complete in all respects. Government are requested to pass such remarks on the default of the officers of the districts just named as will show them the importance attached to the reports and the necessity of enforcing upon their subordinates compliance with the instructions which have been issued on the subject.

3. *Prices.*—The price of rice has fallen on the average in Madura, Coimbatore, and Kurnool; it was stationary in Salem, and rose slightly elsewhere. Cholum has fallen in Kistna, Kurnool, and Madura (the fall in the last-named district is probably apparent only owing to the causes stated in last report); the average price is stationary in Chingleput, and has risen elsewhere, but not very much. Ragi has declined in price in Kistna, Kurnool, Madura, Coimbatore, and Salem, and risen elsewhere. Cumboo is also cheaper in the three southern districts, but considerably dearer in Chingleput and North Arcot. It has fallen in Kurnool, and elsewhere risen slightly. The most remarkable feature of the present return is the fall of prices of all grains in Kurnool, which, however, can scarcely continue if real. The Board fear that it will be explained when the detailed return is received by the Collectors, average being struck for a portion of the district only.

4. *Rain-fall.*—There was rain in Madura, Salem, and Coimbatore. In Madura, eight-tenths of an inch fell in Pulni and ·7 in Ramnad, and the rain seems to have passed across the north of the district between these points; Dindigul, Melur, and Madura having also received rain, but of less amount. In Salem slight rain (·3 and ·5 inch) fell in Ahtur and Namkul, but none elsewhere in the district. In Coimbatore three-quarter inch fell in Caroor, a quarter inch in Udamalpetta, and ·17 inch in Dharapuram, none elsewhere.

5. *Grants and Outlay.*—The total grants of funds made to 30th December were Rs. 33,04,048. In *Bellary* (grant to 30th December Rs. 18,16,000) appropriation for works in twelve taluqs have been given, amounting to Rs. 10,53,013. The total outlay on relief works in the week was Rs. 2,37,199, and since the commencement approximately Rs. 13,21,370. This, however, does not agree with last week's return. In *Chingleput*, from a grant of Rs. 1,08,500, Rs. 62,975 have been appropriated in detail, Rs. 6,013 spent in the week, and Rs. 23,820 up to the week. In *North Arcot*, grant Rs. 75,800, Rs. 1,36,761 have been appropriated against Rs. 68,728 in last return. The increase is due chiefly to addition of minor works in Chittoor, Chendragiri, and Palmanair, and extended works in Vellore, Arcot, Wallajah, and Punganur. In Wallajah no outlay, and in Punganur only Rs. 5 are reported, though 3,160 and 2,518 coolies, respectively, were employed in these places on the last day of the week. The outlay up to the 30th December in Wallajah, Rs. 5,317, is less than that reported up to the 23rd, Rs. 6,100. These inaccuracies show carelessness, and should be explained by the Collector. The outlay, according to the present report, was Rs. 41,261.

The Collector should apply for further grants. In *Madura* the grant is Rs. 75,748, and appropriations Rs. 85,348; outlay in the week only Rs. 2,245, and up to the week Rs. 8,632. The last figure does agree with that reported for the 23rd December. In *Salem*, grant Rs. 96,000, Rs. 1,26,350 have been appropriated against Rs. 66,837 in last report. The original returns of last week are with Government, and the Board cannot trace the cause of the increase. It occurs chiefly in Trichengode, Dharampuri, and Oossoor. Outlay in the week Rs. 18,075, and up to the week Rs. 38,304. The Collectors of North Arcot and Salem should report for orders the extended schemes of works which have been undertaken, and apply for funds. The outlay in Kurnool in the week is reported by telegraph to have been Rs. 1,87,454, which, added to the figure obtained in Board's Proceedings, 3rd January 1877, as the approximate outlay on works up to 23rd December, gives the total outlay to the 30th as Rs. 9,47,618. The grant is only Rs. 3,22,000, but the Board have passed separate Proceedings, allotting funds to cover the excess. Returns for two whole districts, Nellore and Cuddapah, are wanting, but the total in the remaining districts is Rs. 4,69,178 in the week, and Rs. 24,03,368 up to the week. If the outlay in the two districts named be estimated as the amounts for last week, these figures become, respectively, Rs. 5,60,792 and Rs. 29,30,403, which are certainly within the truth.

6. *Numbers employed.*—In the marginal table the total numbers employed are compared as far as details given admit. In the seven first-named districts the increase is less than 10 per cent. as compared with 27½ per cent. in all the districts in the week before. This is a satisfactory result, and is due entirely to the increase of numbers in Bellary having apparently received a check. There has been a large decrease in the Adoni Taluq (known to be due to better management) and the numbers have fallen slightly in Bellary, Gooty, Pennakonda, and Harpunhalli. In Hindupur there has been a large increase (from Mysore?), and in other taluqs slight increase. In Chingleput the numbers largely increased in Conjeveram and Saidapet Taluqs, but fell in Trivellore, Ponneri, and Chingleput. In North Arcot, the increase is made up in Arcot, Wallajah, and Punganur. In Salem the increase is general, but greatest in Trichengode, Utangarai, and Kistnagiri. In Madura the increase is due to opening of works in Ramnad. In Melur work had ceased for the time, and in Dindigul numbers had decreased one-third. Estimating Nellore and Cuddapah at the same numbers as last week, the total becomes 9,00,733; but numbers in these two districts were increasing, and the total may probably be stated at 9,25,000, exclusive of the East-Coast Canal and the Town of Madras. The numbers in Bellary are 20·8 per cent, and in Kurnool 26·6 per cent. of the popula-

tions according to the Census of 1871. There are, however, many on the works who come from beyond the frontiers of their districts.

7. *Distribution.*—Particulars as to age and sex are available for five districts only, as shown below:—

8. The increase in the proportion of grown men on works in Chingleput, North Arcot, and Madura, is noticeable. The Board are unable to account for the differences.

9. *Rates of Wages.*—Bellary 2 Annas to a man, 1 Anna 6 Pies to a woman, and 1 Anna or 9 or 6 Pies to a child are the rates prevailing in eight taluqs, Raidrug, Gooty, Hindupur, Hadgalli, Dharmaveram, Kudlighi, and Alur. Some higher rates appear for Supervisors and Mistries. In Bellary grain-wages 1 seer, ¾, and ½ seer prevail as reported last week. In Pennakondah these quantities of grain, besides 3 Pies, 2 Pies, and 1 Pie to a man, woman, and child, respectively, are allowed. No information is given for Tadpatri, Adoni, Anantapore, Harpanhalli, and Madaksira. The grain-wages in Bellary are too high as pointed out in last week's report. The money-value of the Pennakonda scale (in rice) at current prices is 3 Annas 3 Pies for a man, 2 Annas 5 Pies for a woman, and 1 Anna 7 Pies for a child. The Pennakondah grain-wages should be reduced at once. At the average price of the district, the most usual scale of money-wages (2 Annas, 1 Anna 6 Pies, and 1 Anna) will purchase of second-sort rice 1·63, 1·23, and ·82 lbs.

10. *Chingleput.*—In all taluqs, except Sydapet, a man gets 2 Annas, a woman 1 Anna 6 Pies or 1 Anna 3 Pies, a boy or girl 1 Anna 3 Pies or 1 Anna. In Sydapet men get 2 Annas 6 Pies,—a rate which should be at once reduced. The sub-division scale (2 Annas, 1 Anna 6 Pies, and 1 Anna) should be introduced throughout the district. The equivalent quantities of rice at current prices are 1·94, 1·47, and ·97 lbs.

11. *North Arcot.*—A man gets 2 Annas, a woman 1 Anna 3 Pies, and a child 1 Anna throughout the district. The equivalents at current prices are 1·72, 1·14, and ·86 lbs. of rice. In *Salem*, only one scale, viz., 2 Annas, 1 Anna 6 Pies, and 1 Anna prevails, and the same in *Coimbatore*, except that in some taluqs women are paid 1 Anna 3 Pies only. The quantities of rice purchasable are—

Salem ... ... ... ... ... 1·78, 1·34, and ·89 lbs.
Coimbatore ... ... ... ... 1·90, 1·43, and 1·19 and ·95 lbs.

*Madura.*—Wages in Tirumungalam and Melur alone are reported. In the former, they have been equalised since last week, and are now 2 Annas, 1 Anna 3 Pies, and 1 Anna. In Ramnad 2 Annas, 1 Anna, and 9 Pies are paid. The equivalent quantities of rice are—

| | |
|---|---|
| Tirumungalam ... ... ... ... | 1·52, ·95, and ·76 lbs. |
| Ramnad .. ... ... ... ... | 1·85, ·98, and ·69 lbs. |

There is no information for other districts.

*Gratuitous Relief.*—The numbers, excluding Cuddapah and Nellore, were 42,233, and adding, in default of information, the Cuddapah and Nellore numbers for last week, the true total may be estimated at 58,698 against 46,071 on the 23rd December. The outlay in the week and up to the end of the week is similarly estimated at Rs. 14,242 and Rs. 57,195. There is no gratuitous relief in Coimbatore or North Arcot. The increase is, as far as known, in Bellary, Kurnool, Chingleput, and Salem. There is again a decrease in Madura which is satisfactory. The following shows the proportion of men, women, and children among those gratuitously relieved in each district, so far as reported :—

| | 23rd. | 30th. |
|---|---|---|
| Bellary ... ... ... ... ... | 23,800 | 27,996 |
| Kurnool ... ... ... ... ... | 1,710 | 6,409 |
| Chingleput ... ... ... ... | 2,492 | 3,289 |
| Salem ... ... ... ... ... | 416 | 3,488 |

| | Per-centages. | | |
|---|---|---|---|
| | Men. | Women. | Children. |
| Bellary ... ... ... ... ... ... | 12·9 | 17·7 | 69·4 |
| Chingleput ... ... ... ... ... | 18·9 | 39·4 | 51·6 |
| Madura ... ... ... ... ... ... | 6·8 | 12·8 | 80·4 |
| Salem ... ... ... ... ... ... | 28·5 | 43·4 | 28·1 |

In Bellary half the number or 4,158 exactly are in the Hindupur Taluq; the reason should be explained. The proportion of men gratuitously relieved in Salem is high.

12. The total outlay on relief since the commencement of distress, excluding special establishments and stock of grain, the East-Coast Canal and outlay in Madras Town, may be estimated as :—

| | In the Week ending 30th December. | Up to the Week. |
|---|---|---|
| | Rs. | Rs. |
| On relief works ... ... ... ... ... | 5,60,792 | 28,50,403 |

13. The Board enclose a memorandum showing the amount of grants sanctioned up to 4th January. The amount is Rs. 33,55,898.

REVENUE DEPARTMENT.

No. 105

From Bd of Rev. Dated 4 January 1877.

FOR ORDERS.

Rains & floods have much retarded the Survey operations & the accompanying reports for the month of December could not be completed in time for transmission by this mail

FOR ORDERS.

Relief Reports
Rainfall

C.S. Bd of R. 8 Jan. 77.

19/163 19/165 Revenue Department.

Proceedings of the Board of Revenue
Dated 5 January 1877.

The relief reports for the 30" December will be submitted for the information of Government.

2. Returns from Kellore & Cuddapah have not been received & telegraphic summaries only have come from Kistna & Kurnool. No maps have been sent with any of the reports except that from Bellary. This is very unsatisfactory; as the Board hoped that the report for the 30 Dec. the third of those furnished, would have been complete in all respects. Government are requested to pass such remarks on the default of the officers of the Districts first named as will shew them the importance

Mr Taylor
Surveyor
Instructed

attached to the reports & the necessity of enforcing upon their subordinates compliance with the instructions which have been issued on the subject

3. Prices. The price of rice has fallen on the average in Madura, Coimbatore & Kurnool; it was stationary in Salem & rose slightly elsewhere. Cholum has fallen in Kistna, Kurnool & Madura (the fall in the last named district is probably apparent only owing to the cause stated in last Report); the average price is stationary in Chingleput & has risen elsewhere but not very much. Ragi has declined in price in Kistna, Kurnool, Madura, Coimbatore & Salem & risen elsewhere. Cumbu is also cheaper in the three southern Districts, but considerably dearer in Chingleput & North Arcot. It has fallen in Kurnool

and elsewhere risen slightly. The most remarkable feature of the present return is the fall of prices of all grains in Kurnool which however can scarcely continue if real. The Board fear that it will be explained when the detailed return is received by the Collectors average being struck for a portion of the district only.

4. Rainfall There was rain in Madura Salem & Coimbatore. In Madura eight tenths of an inch fell in Palni & 77 in Ramnad, & the rain seems to have passed across the north of the district between these points, Dindigal Melur & Madura having also received rain, but of less amount. In Salem slight rain (.3 & .5 inch) fell in Attur & Namkal but none elsewhere in the district

In

In Coimbatore 3/4 inch fell in Caroor,
a quarter inch in Udamalpetta, and
.17 inch in Dharapuram. none elsewhere.

5. Grants & Outlay. The total grants of
funds made to 30th Dec. were Rs. 3304048.
In Bellary (grant to 30th Dec. Rs 181600)
appropriations for works in 12 taluqs have
been given amounting to Rs. 1053013. The total
outlay on relief works in the week was
Rs. 237199 & since the Commencement approx-
-imately Rs. 1321370. This however does not
agree with last week's return. In Chingleput
from a grant of Rs 108500, Rs 62975 have
been appropriated in detail; Rs 6013 spent
in the week & Rs 23820 up to the week.
In North Arcot, grant Rs 75800, Rs. 136761
have been appropriated against Rs 68728
in last return. The increase is due chiefly
to addition of minor works in Chittoor
Chendragiri & Palmanair & extended works.

7/15 21/163

in Vellore. Arcot. Wallaja and Punganur. In
Wallajah, no outlay, and in Punganur only Rs 5,
are reported, though 3160 and 2518 coolies respectively
were employed in these places on the last day
of the week. The outlay up to the 30th December
in Wallajah Rs 5317 is less than that reported
up to the 23rd Rs 6100. These inaccuracies show
carelessness, and should be explained by the
Collector. The outlay according to the present
report was Rs 41261. The Collector should
apply for further grants. In Madura the
grant is Rs 95748 and appropriations Rs 85348,
outlay in the week only Rs 2245, and up
to the week Rs 8632. The last figure does
agree with that reported for the 23rd December
In Salem, grant Rs 96000, Rs 126350 have been
appropriated against Rs 66837 in last report,
The original returns of last week are with
Government and the Board cannot trace the
cause of the increase. It occurs chiefly in
Trichengode, Dharampuri and Coimbatore. Outlay
in the week Rs 18075 and up to the week Rs 38304.

The

The Collectors of N. Arcot and Salem should report for orders the extended schemes of works which have been undertaken; and apply for funds. The outlay in Kurnool in the week is reported by telegraph to have been Rs 187454, which added to the figure obtained in Board's Proceedings 3rd January 1877 to — as the approximate outlay on works up to 23rd December gives the total outlay to the 30th as Rs 947618. The grant is only Rs 321000, but the Board have passed separate Proceedings allotting funds to cover the excess. Returns for two whole districts Nellore and Cuddapah are awanting: but the total in the remaining districts is Rs 469778 in the week and Rs 2403368 up to the week. If the outlay in the two districts named be estimated at the amounts for last week, these figures become respectively Rs 560792 and Rs 2850403 Rs 2930403 which are certainly within the truth.

Numbers employed. In the marginal table the total numbers employed are compared

as

Trichinopoly, Tanjore & Chingleput. In N. Arcot, the increase is made up in Arcot Wallaja & Punganur. In Salem the increase is general but greatest in the Trichinopoly, Utatoorai & Krishnapur. In Madura the increase is due to opening of works in Ramnad. In Tinnevelly work has ceased for the time & in Dindigul numbers have decreased one third.

Estimating Nellore and Cuddapah at the same numbers as last week, the total becomes 900733; but numbers in these two districts are increasing, & the total may probably be stated at 9,25,000; exclusive of the E. C. Canal & the town of Madras. The numbers in Bellary are 20.8 per Cent & in Kurnool 26.6 per Cent of the populations according to the Census of 1871. There are however many on the works who come from beyond the frontiers of their districts.

Distribution. Particulars as to the age & sex are available for five districts only; as shewn below

As far as details given admit. In the seven first named districts the increase is less than 10 per cent, as compared with 27½ per cent in all the districts in the week before. This is a satisfactory result and is due entirely to the increase of numbers in Bellary having apparently received a check. There has been a large decrease in the Adoni taluk (known to be due to better management) and the numbers have fallen slightly in Bellary, Gooty, Penkonda & Harpenhalli. In Kindrupur there has been a large increase (from Mysore?) & in Rayadrug taluk slight increase. In Chingleput the numbers largely increased in Conjeveram & Saidapett talugs, but fell in

The increase in the proportion of grown men on works in Chingleput, North Arcot, and Madura is noticeable. The Board are unable to account for the differences.

The grain wages in Bellary are too high as pointed out in last week's report. The money value of the Penna konda scale (in rice) at current prices, is, 3 as 3 p. for a man, 2 as 5 p. for a woman, and 1 a 7½ p for a child. The Penna Konda grain wages should be reduced at once. At the average price of the district, the most usual scale of money wages (2 as, 1 a 6 p, & 1 anna) will purchase of 2d sort rice 1·63, 1·23 & ·82 tbs.

The sub division scale (2 as, 1 a 6 p & 1 anna) should be introduced throughout the district. The equivalent quantities of rice at current prices are 1·94, 1·47 & ·94 tbs

North Arcot. A man gets 2 as, a woman 1 a 3 p. and a child 1 anna throughout the district. The equivalents at current prices are, 1·72, 1·14, and ·86 tbs of rice

In Salem, only one scale 1/3 2 as, 1 a 6 p and 1 anna prevails and the same in Coimbatore. Except that in some taluks women are paid 1 a. 3 p. only. The quantities of rice purchable are

Salem. 1·78, 1·34, and ·89 tbs.
Coimbatore. 1·90, 1·43 and 1·19 and ·95 tbs.

Madura. Rates in Sivaganga and Melur alone are reported. In the former, they have been equalized since last week and are now 2 as, 1 a. 3 p, and 1 anna. In Ramnad 2 as, 1 anna and 9 pies are paid. The equivalent quantities of rice are.

Sivaganga 1·82, ·95 and ·76 tbs.

Gratuitous relief. The numbers including Nellore were 42,233, and adding in default of information the Cuddapah and Nellore numbers for last week are true

The increase is so far as known in Bellary, Kurnool, Chingleput, and Salem. There is again a decrease in Madura which is satisfactory.
