*Proceedings of the Madras Government, Revenue Department,
8th February 1876.*

No. 76. Read the following letter from C. J. LYALL, Esq., Under-Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Agriculture and Horticulture,) to D. F. CARMICHAEL, Esq., Secretary to the Government of Madras, Revenue Department, dated Calcutta, 3rd February 1876, No. 82:—

I am directed to request that, with the permission of His Grace the Governor in Council, you will be good enough to cause Dr. King, Superintendent of the Botanical Gardens, Howrah, to be supplied with three pounds of the seed, in their seed vessels, of the *Corypha umbraculifera*. The seed is wanted for sowing purposes, and should be as fresh as possible.

2. It is understood that large quantities of this seed are exported from the Malabar Coast where the tree is common, especially from Alleppee to Bombay, the nuts being known commercially in that Presidency as Buzurbutto nuts.

3. The packets should be sent direct to Dr. King, this department being advised of their despatch.

No. 77.

ORDER THEREON, 8th February 1876, No. 171.

Miscellaneous.

The Resident at Travancore and Cochin will procure these seeds, transmitting them direct to the Superintendent of the Botanical Gardens, Howrah. He will report his having done so.

(True Extract.)

Calcutta 3 February 1876

SIR,

I am directed to request that with the permission of the Council you will be good enough to cause Mr. King, Superintendent of the Botanical Gardens, Madras, to be supplied with three pounds of the seed of the seed vessel of the *Corypha umbraculifera*. The seed is wanted for sowing purposes, and should be as fresh as possible.

It is understood that large quantities of the seed are exported from the Malabar Coast, where the tree is common especially from Alleppey to Bombay, the seed being known commercially in that country as Bagumbullu nuts.

The packets should be sent
