*Proceedings of the Madras Government, Revenue Department,
27th November 1876.*

No. 508. Read the following letter from R. K. PUCKLE, Esq., Director of Revenue Settlement, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, Fort St. George, dated Tuticorin, 19th October 1876, No. 3,640-57 :-

I HAVE the honor to forward herewith the regular Budget Estimate for 1876-77, with the following remarks.

2. The provision made by Government in the current year's grant for the Central Office was apparently based on the last five years' actuals, when either a Deputy or a Member of the Board was officiating as Director, and the printing of registers was not making such rapid progress as at present. An addition of Rs. 20,000 is necessarily required in this item under present circumstances.

3. Districts actually under settlement require a large extra establishment, and the settlement of Chingleput, with an allotment of Rs. 50,000, and of Tinnevely, with an allotment of Rs. 70,000, are being pushed on rapidly, and extra hands have been lately entertained with the view of completing both districts, if possible, within the next official year. Tinnevely with a rather more expensive establishment will thus spend only its entire allotment; but Chingleput requires an extra grant of Rs. 10,000, and this year's allotment for this district must be increased to Rs. 60,000.

4. In like manner, Cuddapah is now under settlement, and the present grant just covers expenditure this year. For all three of these districts the expenditure during the next seven months will be proportionately heavier than the actuals of the past five months. A saving of Rs. 15,000 will be effected in the districts in which settlement is not in progress, under special arrangements lately made, to partly cover over-expenditure in the Central Office and in Chingleput; but there is still a balance of Rs. 15,000 or about what was struck out of the Budget Estimate in the item of Central Office, that will have to be made good, and for this I request sanction.

No. 509. ORDER THEREON, 27th November 1876, No. 1,821.

Miscellaneous.

ADDITIONAL funds, as requested, are not available under present circumstances. The Director should endeavour to keep the expenditure within the Budget limits. He is at liberty to re-arrange the allotments so as to provide for the increased sum required for the Central Office. Work may, if necessary, be slackened, and expenditure cut down as far as possible.
