Most Humbly Sheweth

That your grace's poor petitioner had been dismissed his service in the Treasury Cause. But on his appeal to your grace has been restored to his employ on the 15th January 1876. That the petitioner having taken the charge of the duty he petitioned to have his name of dismissal included in his past services. Accordingly that your grace in Council was gracious enough to sanction the period during which the petitioner was under dismissal do count the service for pension. That your petitioner begs to observe that he was equally innocent as three others in the case. Now that your petitioner has been given to knowledge that the Head Yamastah and others have obtained sanction for the payment of their arrears. Since your petitioner is favored with the period of dismissal to be included into his pension and a mere glance on his part by your grace in Council may come to the conclusion that he is also to be favored with payment. That petitioner begs to observe that he
