MISCELLANEOUS No. 5,731.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th July 1876.

Read the following Official Memorandum from the Secretary to Government, Revenue Department, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 24th May 1876, No. 91:—

The Districts Price List for February was forwarded to Government from the Board's Office on the 12th May only.

2. The undersigned is directed to inquire whether these lists cannot be compiled more expeditiously.

(Signed) D. F. CARMICHAEL,
Secretary to Government.

THERE was some delay in the Board's Office in the compilation of the Price Return for February 1876 owing to pressure of work, but arrangements have been made for its submission at an earlier date in future.

2. The statements are not now received from districts completely before the end of the month following that to which they relate. In future Collectors should see that they are despatched at the earliest possible date, and even in the case of the most distant districts arrangements must be made for their despatch in time to ensure their reaching the Board's Office without fail before the 20th of each month at the latest. The general statement will be compiled and forwarded to Government within two weeks from that date.
