With reference to paragraph 2 of the G. O., No. 1,647, of the 10th of June 1869, I have the honour to inform you that the Gooriathum Forests alluded to comprise valuable fuel-tracts, which it is important to work systematically in connection with adjoining tracts contiguous to the line in North Arcot and Salem; the receipts, it is fully expected, will far more than cover all expenditure for establishment and working charges, and also enable us to renew the deforested tracts and form plantations.
