Proceedings of the Madras Government, Revenue Department,
17th January 1877

No 420 Read the following Proceedings of the Board of Revenue, dated 14th December 1876, No 3,175 —

Read the following letter from J HUNTER BLAIR, Esq, Collector of Madras, to H E STOKES, Esq, Acting Secretary to the Board of Revenue, dated 21st November 1876, No 68 —

With reference to paragraph 2 of the Board's Proceedings, No 2,095 dated 17th August 1876, I have the honor to point out that, under Section 14 of Act VI of 1867, the demand which should be served before attachment of land for arrears of revenue should specify, among other particulars *the name of the party in arrear*, and therefore in the case under reference in the Proceedings under reply service cannot be made I, therefore, request the Board's further orders on the subject

It now appears that what the Collector meant by the owners of the portion of the land in question not being traced was that their names were unknown This being so, the Collector is requested to state the evidence on which the land is declared to be private property
