PROCEEDINGS OF THE BOARD OF REVENUE, dated 10th November 1876
Read the following letter from J. R. DANIFI Esq Acting Collector of Cuddapah,
to H. L. STOKES, Esq, Acting Secretary to the Board of Revenue, dated
7th November 1876, No 291 —

I HAVE the honor to request that, for the present season, the Board will sanction
the collection of dry assessment upon dry crops cultivated in lands forming part of the
ayakut of tanks

2 As none of the tanks have received a supply of water it is impossible that a
wet crop can be raised, and remissions will be necessary. Some of the dry grains can
be cultivated even now, and in any case there would be fodder for cattle

3 I hope that the Board will sanction this, and that I may receive early orders
to enable me to notify the concession throughout the district

THE Collector is referred to Board's Standing Orders, Nos 137 2 and 137 3
(A true Copy and Extract)
