Read the following letters :—

No. 106. From the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 26th October 1869, No. 2,562-70.

In their Proceedings marginally noted, Government declined to accede to my recommendation that Mr. Gompertz should be granted the higher rate of pay as First Assistant Superintendent, I venture notwithstanding respectfully to request that this gentleman may be permitted to draw the special allowance of Rupees 75 from the date of his undertaking charge of the Ganjam Survey and Demarcation Establishments.

11th June 1869, No. 1,660.

2. In his letter, disposed of in G. O., No. 2,364, of 18th August 1869, Mr. Gompertz found a pecuniary claim on Government on the alleged promise of recommendation for increased pay made by me to induce him to remain in the department. Mr. Gompertz has since admitted that this statement is altogether erroneous; this therefore is not the ground on which I base my recommendation. I have the honour to point out, however, that the circumstances under which Mr. Gompertz served in Ganjam, prior to his being granted the special allowance, were identical with those of his later service there; that he has exerted himself greatly in carrying out the severe duty he was called on to perform; and that to his zeal and exertions are, I believe, due his present ill-health and consequent departure on sick leave.

No. 107. From the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 20th January 1870, No. 113-2.

Referring to your Official Memorandum of the 8th ultimo, No. 88, I have the honour to append marginally the information called for, and to state that Rupees 1,016-2-1, the amount of additional charge required by the grant to Mr. Gompertz of the special allowance from the 13th December 1867, can at present, with difficulty, be met from the savings of the Budget allotment for the Revenue Survey Department for 1869-70.

13th December 1867, date on which Mr. Gompertz assumed charge of Ganjam Survey and Demarcation Establishments.
30th January 1869, date from which Mr. Gompertz drew special allowance.

	Rs.	A.	P.
Special allowance from 13th December 1867 to 16th June 1869, at Rupees 75 per mensem	1,360	15	6
Deduct the amount of allowance already drawn from 30th January to 16th June 1869	344	13	5

2. As Mr. Gompertz was on privilege leave from the 22nd August to 18th November 1868, I beg to recommend that the grant of the allowance may be restricted to the period he was actually in charge. This will reduce the amount to Rupees 796-15-0 which sum can, I think, be spared from the Budget grant for 1869-70.

No. 108. Order thereon, 12th February 1870, No. 201.

Miscellaneous.

Under the sanction granted by the Government of India in letter, dated 30th January 1869, No. 672,

Mr. Gompertz, who was then in charge of the Ganjam Survey and Demarcation, drew from the above-mentioned date a special additional allowance of Rupees 75 per mensem.

2. In the foregoing letters the Superintendent of Revenue Survey requests that Mr. Gompertz may be permitted to draw the allowance in question from the date of his undertaking charge of the Ganjam Party, viz., 15th December 1867, with the exception, however, of the period during which he was on privilege leave, the total additional charge involved by this proposal being Rupees 796-15-0.

3. The Government resolve to submit the Superintendent's letters to the Government of India, with their recommendation that the request therein made in favour of Mr. Gompertz may be complied with.

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

Miscellaneous.

SIR,—Under the sanction granted by the Government of India in letter, dated 30th January 1869, No. 672, Mr. Gompertz, who was then in charge of the Ganjam Survey and Demarcation, drew from the above-mentioned date a special additional allowance of Rupees 75 per mensem.

2. In the accompanying letters* the Superintendent of Revenue Survey requests that Mr. Gompertz may be permitted to draw this allowance from the date of his undertaking charge of the Ganjam Party, viz., 13th December 1867, with the exception, however, of the period during which he was on privilege leave.

* Dated 26th October 1869, No. 2,562-70, and 20th January 1870, No. 113-2.

3. The reasons which induced this Government, in December 1868, to recommend the grant of the special allowance in question to Mr. Gompertz are equally applicable to the whole period during which he served in Ganjam; and it will be seen that the Superintendent speaks highly of the zeal and industry displayed by Mr. Gompertz. The Government therefore direct me to recommend that Colonel Priestley's present request in favour of Mr. Gompertz may be complied with. The total additional charge involved by this recommendation amounts to Rupees 796-15-0, which can be met out of the Survey Budget for the current year.

I have the honour to be,
Sir,
Your most obedient servant,

In the foregoing letter, the Supdt. of Revenue Survey requests that Mr. Gaupertz may be permitted to draw the allowance in question from the date of his undertaking charge of the Gazetteer Party, viz 13 Dec. 1866 with the exception however of the period during which he was on Privilege leave, the total additional charge involved by this proposal being

This Memo: is a sequel to that attached to Proceedings of Government dated 18th August 1869, No. 2364.

2. Colonel Priestley now requests that Mr. Gompertz may be permitted to draw the special allowance of Rs. 75 which the Government of India granted to him in their letter dated 30th January 1869, from the date of his undertaking charge of the Gunjam Survey and Demarcation Establishments. That is to say, he requests that the sanction accorded by

by the Govt of India
may be endorsed with
retrospective effect, and
Mr Gouperty allowed
an accumulation of back
pay.

3. It appears that Mr
Gouperty assumed charge
of his duties in Ganjam on
December 13th 1867. Retros-
pective allowances of the
sum of Rs 75 per mensem
from the latter date to Febry
1st 1869 would cost the Govt
Rs 1,015; and Colonel Priestley
does not state how he pro-
poses to meet this charge.
It is however believed
that his budget would
support it.

4. The reasons which
induced the Govt to request
the sanction of the Govt
of India for an additional
allowance

allowance to Mr Gouperty
are doubtless applicable
to the whole period during
which he served in Ganjam.
Colonel Priestley speaks
highly of the zeal and
industry displayed by
Mr Gouperty. The present
state of Imperial finances
is perhaps the only bar
to extending the desired
indulgence.
