Proceedings of the Madras Government, Revenue Department, 28th January 1861.

No. 405. Read the following Proceedings of the Board of Revenue, dated 15th December 1860, No. 5,903:—

Read the following letter from A. WEDDERBURN, Esq., Officiating Collector of Cuddapah, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated 28th November 1860, No. 139.

SIR,

1. With reference to paragraph 5 of the Order of Government, 27th October 1860, No. 1,977, transmitted with the Proceedings Board of Revenue, No. 5,056, dated 2nd November 1860, in which the Sub-Division Sarishtadár Narrain Ráu is required to take his pension, or to serve on the proper pay of the office, and referring also to paragraph 6 of the same Order, I have the honor to state, for the information of the Board, that although the total period of Narrain Ráu's service is at the present date 29 years, 8 months and 8 days, yet 3 years and 7 months of the early part of that period of service have been passed in grades which do not count for pension. I have therefore the honor to request instructions whether, under these circumstances, Narrain Ráu, who has served as Sub-Division Sarishtadár for upwards of 9 years, may be allowed to count his whole service for full pension, or whether he may be allowed to serve out his time on his present pay as in the case in Tinnevelly, or whether he is to have merely the option of serving on a reduced salary of Rupees 100 which, in the event of his being compelled to resign before the completion of four years, would only leave him eligible to a pension of one-third of Rupees 100, or of taking his present pension to what he is eligible, which will amount to Rupees 58-5-4.

2. His health having of late been by no means good, I doubt his ability to complete four years of additional service, but Government may, in consideration of his long service in his present grade, perhaps admit him to a full pension under the circumstances.

———

Ordered to be submitted for the decision of Government. Under the circumstances of the case, the Board would recommend that Narrain Ráu be permitted to count the whole of his service for pension.

No. 406. ORDER THEREON, 28th January 1861, No. 204.

1. V. Narrain Ráu, late Sub-Division Sarishtadár of the District of Cuddapah, was considered unfit, on the introduction of the new Revenue Establishments, to be appointed Manager under the Collector. His case was brought to the notice of Government in September 1859, and was then ordered to be disposed of under the orders of the 5th July 1859, No. 887, that is, that Narrain Ráu should either be employed as Tahsíldár or in some other capacity for which he might be competent, or should be pensioned if he had served long enough. Subsequently, in their Proceedings of 28th September last, the Board of Revenue recommended that Narrain Ráu, who had been made the Sub-Division Manager, might be allowed to retain his former pay, viz., Rupees 175, though the proper pay of his office was only 100 Rupees; but the Government affirmed their former Order, directing that he should either serve on the proper pay of his appointment, or take his pension, he having served about 30 years, according to a statement obtained from the Civil Auditor.

10th September 1859, *No.* 1,220.

27th October 1860, *No.* 1,977, *para.* 5.

2. The Officiating Collector of Cuddapah now reports that Narrain Ráu has served 29 years and 8 months, but that about 3½ years of this time was passed in grades not entitling to pension. In consideration however of the length of his service in his present grade, and of his now failing health, Mr. Wedderburn recommends that he should be permitted to count the whole of his actual service for pension. The Board support this recommendation.

3. Under the special circumstances of the case, particularly that Narrain Ráu seeks a pension, not voluntarily but by an order of Government under the exigencies of the public service, the Government accede to this recommendation. Narrain Ráu will therefore be pensioned on 87½ Rupees a month, immediately on his completing thirty years of total service.

Secretary to Government.
